**Help for grieving kids, adults**

Evergreen Hospice is offering bereavement support specifically designed to meet the needs of children, teens and adults who are touched by the death of a loved one. All programs are free-of-charge and offered to people living in Markham and Whitchurch-Stouffville. Groups meet with trained hospice support teams at the hospice office at 6060 Hwy. 7, west of Markham Road. Bereavement support programs include: • Circle of Hope, an adult eight-week

bereavement self-help group based on the belief that sharing common experiences and concerns can aid in the healing process. Start date is Sept. 18. • Stormy Nights...Sunny Days is held one day a week for eight weeks after school for children in Grades 1 to 8. The group setting provides children with the opportunity to meet in a structured, positive setting to explore their feelings of loss and develop ways to cope with the changes in their lives. Start date Oct. 21. • Digital Memories is designed to help teenagers work through their grief in a positive and engaging way by using the latest in

multi-media technology. Participating youth create a DVD about their family member who has died. The memory montages combine photographs, text, music, home video footage and interviews with family members. The program starts this fall. Evergreen Hospice is a non-profit organization that provides supportive care for people of all ages in Markham and Whitchurch-Stouffville who are experiencing the impact of life-threatening illness and death.
