to council every three months.

Construction on the site, between Sobeyes and Stouffville District Secondary School, is expected to begin next month. The facilities are expected to be complete in late 2009 or early 2010.

The entire cost of the arena and 60 per cent of the fire hall is being covered by development charges. Due to a lack of cash on hand, the town has borrowed \$13.4 million to cover the cost of the facilities.

Each taxpayer will pay "less than half a per cent each year" towards the loan, town treasurer Marc Pourvahidi said.
