### Stouffville juvenile Clippers have coach, need players

They have a coach, now the Stouffville juvenile Clippers need players.

The defending Ontario Minor Hockey Association A champions are short skaters heading into the 2008-09 season.

They'll hold a final tryout Saturday at 4:45 p.m. at the Stouffville Arena. If numbers aren't sufficient, the team could fold.

Grant Nesbitt, who has coached minor hockey in Stouffville since the 1980s, has volunteered to coach. He's advanced many players to AAA and junior hockey, including veteran NHLer Brad May.

"We are a hockey town and to lose that age group would be very disappointing," said Mike Humphreys, president of the Whitchurch-Stouffville Minor Hockey Association. "A lot of other centres in nearby communities have lost their juvenile teams and we have been very lucky to have ours continue."

"We want this to continue, as we have had such great success with this age group and we do not want to lose that passion for the future."

Players must be born in 1988, 1989 or 1990.

For more information, call the minor hockey office at 905-642-2835
