**Directors of Nursing**

Are you a results-oriented Registered Nurse with a degree in Nursing and current registration with the College of Nurses of Ontario, or an equivalent background? Do you have 3 years of management experience in a unionized environment, including staff supervision, nursing program service delivery and budget/financial management within the long-term care (LTC) sector? If you fit this profile, we want to hear from you. Reporting to the Administrator, you will lead and direct the provision of a designated Long Term Care Nursing Program (Complex Care or Cognitive Care) in the facility. This includes responsibility for budget and program development, expenditure control, nursing care planning activities, and continuous quality improvement and risk management measures. Success in this role will demand knowledge of relevant legislation, best practices in the LTC sector, CQI and risk management principles, as well as budget preparation and control. These positions, located in Maple and Newmarket, require a satisfactory criminal records check and the ability to work outside regular office hours, including on-call. **Job Postings NP8424 and NP8416.**

**Fleet Technician**

In this role, you will provide technical support to the Transit Branch, including performing mechanical inspections and assessments of vehicles, and auditing contractors' mechanical work, documentation and legislated certifications. Along with a 2-year post-secondary diploma in a technical discipline or equivalent, you must have at least 5 years of experience repairing and maintaining air-brake-equipped transit buses or highway coaches. Additionally, you hold a valid BZ driver's licence and valid Ontario Class 310T (Truck and Coach) and 301S (Automotive) Technician licences, and have a working knowledge of transit equipment, including electronic fare boxes, destination signs, communications equipment and GPS technology. This position, located at 50 High Tech Road, Richmond Hill, requires access to a reliable vehicle. **Job Posting NP8496.**

**CAREER OPPORTUNITY  
CIVIL TECHNOLOGIST**

The Town of Georgina, in the Regional Municipality of York, requires an experienced Civil Technologist to join our team in the Engineering and Public Works Department.

Reporting to the Engineering Manager the Civil Technologist is responsible for the review of development engineering drawings, technical reports, and Ministry of Environment Applications For Approval, for compliance with the Town's design criteria, draft plan conditions and accepted engineering practices; preparation of development agreements, both site plan and subdivision; responsible for ensuring all applicable fees are paid, development agreements are fully executed and that liability insurance and securities are in place; liaison with developers, consultants, municipal staff and the general public on matters relating to development; and inspections.

To apply for this position you must have formal academic training in Civil Engineering Technology (Municipal Option), current membership in the Ontario Association of Certified Engineering Technicians/Technologists and possess a Certified Engineering Technologist (CET) designation. You have a working knowledge of land development procedures and services, both site plan and subdivision; previous experience in a municipal environment; excellent organizational, research, investigative and communication skills; and possess a valid Ontario Driver's License.

The Town offers a comprehensive benefit package, a professional and supportive work environment and an hourly wage rate of \$30.56 - \$33.95. Qualified applicants are invited to submit a detailed resume, with cover letter, indicating how your experience and qualifications meet our requirements. Please submit your resume by October 23, 2008 quoting file J.2008.23 to: Human Resources Office, Town of Georgina, 26557 Civic Centre Road, Keswick, ON L4P 3G1 or E-mail [hr@georgina.ca](mailto:hr@georgina.ca)

The Town of Georgina thanks all applicants for their interest and advises that only those to be interviewed will be contacted. Personal information is collected under the authority of the Municipal Act and will be used to determine eligibility for potential employment.
