The Public Works Department reminds residents that a comprehensive watermain flushing program is performed semi-annually.

Watermain flushing will commence the week of October 14th, 2008 with an expected duration of four (4) weeks. The work takes place between the hours of 9:00 a.m. and 3:30 p.m.

During the flushing operation, discolouration of the water may occur. Should this occur, let the water run until it clears.

The Town does not pick up leaves raked, blown or piled along the roads.

Non-containerized or non-bagged leaves present traffic and drainage hazards and residents are required to remove them.
