Vandorf Rd. house fire under investigation

York Regional Police and the Ontario Fire Marshal are investigating a fire at a large home in rural Whitchurch-Stouffville Monday. No one was home at the time of the blaze on Vandorf Road near Kennedy Road. Damage was extensive. The cause has not been determined. The estate home, which had recently been sold, was unoccupied. It took Whitchurch-Stouffville firefighters four hours to get the fire under control. "It was fully involved upon our arrival and proved to be a little difficult to extinguish because of the size of the structure," deputy fire chief Rob McKenzie said. Investigators remained at the scene Tuesday.
