**Do you have the time
or energy to scrub
grout lines?**

Like most busy parents, time and energy is not an unlimited commodity.

Who has time to scrub bathroom tiles and grout lines? Is your bathroom ugly, the tub worn out, or costing a fortune in cleaners to make it look decent?

"A one day bathroom makeover from Bath Fitter is all you need," says Steve Mallett bathroom specialist. "A new tub right over your old one, with a perfect fit is the most common choice" says Steve. "From beautiful bathtubs, elegant showers or tub to shower conversions, Bath Fitter can complete your makeover with little disruption and no mess."

"We have been doing bathroom renovations for over 20 years, and we use only the best materials and Moen plumbing fixtures." Seamless, one - piece walls ensure no water infiltration on all our units, plus we offer you a lifetime warranty!" says Steve.

When you invest money into your home, you want to be sure you do business with a company with a solid reputation. Bath Fitter nationwide has installed hundreds of bathrooms in hotels and homes and we would like to do your bathroom makeover next.

Call Nicole at 1-888-558-3332 or our Newmarket office (905) 836-6100 for a free in home quotation. www.bathfitter.com
