

The Stouffville District Secondary School senior band under new director Diane Marlatt closed out the show. The host high school's choir, Spartan Sound, also performed.

The Sound of STOUFFVILLE

Hundreds of students from seven Whitchurch-Stouffville schools entertained a full house at Stouffville District Secondary School during last weekend's 16th Student Music Scholarship Concert

Susan Whitebread directs the St. Mark Catholic School choir at the annual show, which has raised \$62,000 for school music programs across Whitchurch-Stouffville during its 16 years.

St. Brigid Catholic School singers light up during the concert sponsored by St. James Presbyterian Church.

The standing-room only crowd applauds the young performers.
