EDMUNDS HOME IMPROVEMENTS -WINTER INCENTIVE PROGRAM NOW AVAILABLE

If you are waiting until spring to replace windows, doors, roofing, eaves or siding, perhaps it's time to think again.

Edmunds Home Improvements can perform any installation through the winter season, working around harsh weather, as required.

Book your home improvement between January 1 and March 1, 2009 and take advantage of their Winter Incentive Program, with reduced pricing or no-charge payment deferrals for one full year (OAC) on all of their installations.

Visit Edmunds' showroom today to view quality 'Canadian' window, door, siding and roofing products. Discover their expanded door collection from Trutech and mix and match the casing and glass options to create a custom look that will meet your needs for both light and privacy. New this season is the Trutech 'retractable' screen which hides directly into the side brickmould.

Edmunds upgraded window displays feature auto-lock and folding hardware standard on all windows.

New for this fall is an optional retractable screen a great feature for any view window.

All of Edmunds window and doors are 'Energy Star' approved. Ask about available government grants.

Eliminate drafts and cold spots with insulated siding, available in over dozen colours and styles. New continuous eavestrough can stop annoying drips and dangerous ice buildups.

For clog-free drainage Edmunds recommends 'Alurex' Gutter Protection a great value that reinforces the eaves and minimizes maintenance.

If a new roof is in order, consider CRC Architectural shingles for excellent durability and curb-appeal, or metal roofing for lasting performance. If ice-daming is a concern, ask about the 'Roof Pro' extended warranty package.

Don't suffer through another winter with drafty windows, or risk getting a leaky roof from melting snow. Book your installation now and enjoy comfort and security for years to come.

Call Edmunds Home Improvements at 905-472-0276 for a free, no obligation, estimate, or, drop by their showroom at 166 Bullock Dr, Unit # 1 Markham.
