

Baby Joshua Parsa sucks on the finger of his father, Sina Parsa, as mom Galin Parsa strokes her son's hair. The child was the first born at Markham Stouffville Hospital in 2009.

Boy's sister was almost New Year's baby in 2008

From page 1.

Little Joshua was actually due to be born on his older sister Lily's birthday — Dec. 29. She came close to being a New Year's baby last year, having been born Dec. 29 of 2007.

Mr. Parsa had difficulty reaching friends and family to share the good news

because phone lines were busy with New Year's well wishers, he said.

While the couple received a white, fluffy, stuffed animal as a congratulations gift from the hospital, they received few other gifts from visitors because stores were closed New Year's Day.
