Kids on board. It's a smoke-free zone.

Smoking in motor vehicles with anyone under 16 is illegal and the fine is up to \$250.

As of January 21, 2009, the Smoke-Free Ontario Act prohibits smoking or having lighted tobacco in a motor vehicle while a person under 16 years old is present. Second-hand smoke levels in motor vehicles can be up to 27 times greater than in a smoker's home. It's even a risk on short trips and when the windows are rolled down.

Children who breathe second-hand smoke are more likely to suffer health problems such as sudden infant death syndrome, asthma and, later in life, cancer and cardiac disease.
