

Arts NIGHT

PHOTOGRAPHY BY BILL ROBERTS

Artist Tina Newlove (right) creates work to the sounds of Andrew Hendriks during A Showcase of Stouffville in the Arts fundraiser at EastRidge church Thursday. The event raised money for the new arts centre, Nineteen on the Park, which opens in downtown Stouffville in May.

This work, called "Christian" by artist Sarah Steiner, was one of many on display at the showcase.

Students (at right) from the York Dance Academy in Stouffville perform during the showcase.

MindTech Montessori Schools
