Celebrating nine years
 of commitment!

When you ask Evan MacDonald, owner of The Village Grocer, what he loves most about his business, he is quick to respond. For him, his wife Cathy and his mother-in-law Doreen, the answer is simple, "The people who come into our store" - we have met so many and so many have become friends."

Markham Stouffville Hospital feels very blessed to be considered a friend of The Village Grocer. For the ninth year in a row Evan and Cathy have made a commitment to Markham Stouffville Hospital's Gala as the

Presenting Sponsor. Over the years The Village Grocer has donated more than a quarter of a million dollars to ensure our community continues to receive quality health care.

But, Evan and his wife have contributed more than just dollars. Evan puts his heart and soul into all that he does, which is evident in the quality meat, produce and prepared foods that have become the platinum standard set by The Village Grocer. For many living in the Markham, Unionville and Stouffville communities it is hard to imagine not having the choice of a wide range of

what Evan likes to call "comfort foods" just around the corner.

When it comes to the hospital, Evan's heart is in the "hands on" work that he does behind the scenes, encouraging others to get involved and helping make the event the best that it can be. For him it is a way to say "thank you" for the wonderful role Markham Stouffville Hospital has played in the lives of his family, friends and community members.

Markham Stouffville Hospital gratefully acknowledges the tremendous commitment of The Village Grocer.
