vehicle was, Jeff would always spot it."

Alex, 17, remembers his brother as someone who enjoyed working with his hands.

"He always paid attention to detail," he said. "Once, he put together a snowmobile from scratch in our basement."

Mike Gentles, 23, has known Jeff for 18 years.

"He was the best friend anyone could have asked for," he said. "He would bend over backwards for everyone and always put friends and family before himself."

His girlfriend, Erin Davis, 19, agrees.

"Jeff was the most self-

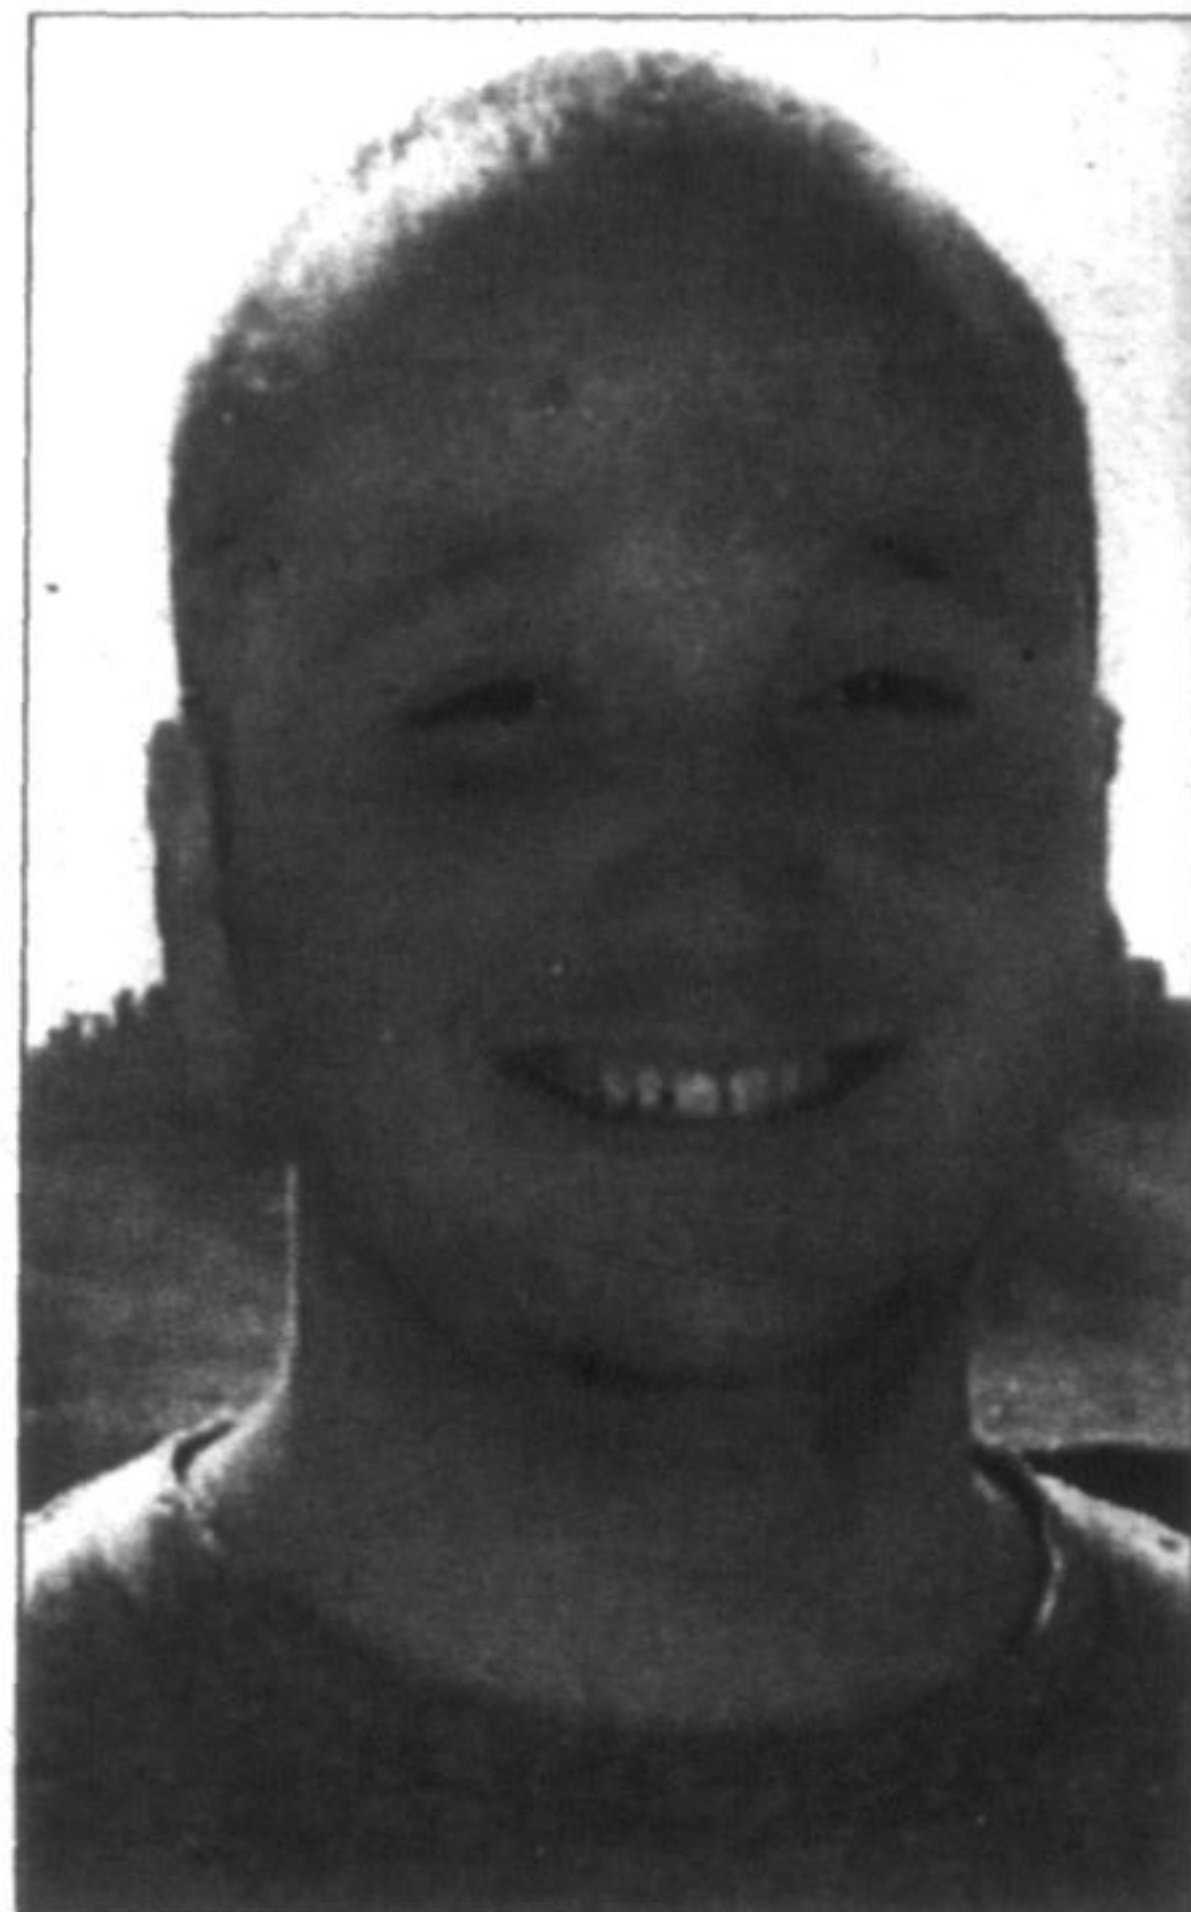

less person I've ever met. He was always concerned about making sure his family and I were taken care of. He truly was a special person."

Stephen Kinsella, a teacher at Stouffville District Secondary School, remembers Jeff as someone who stood out.

"He was a fantastic young man with such a promising future ahead of him," he said. "He was just a great, down-to-earth kid who was always smiling."

The funeral is being held today at Stouffville United Church, 34 Church St., at 11 am.

In lieu of flowers, donations may be made to the Don Sanderson Memorial Trust Fund or the charity of your choice.
