WHAT WE SAY

GO Transit raised fares by 25 cents a ride this month. It was the second hike by the GTA transportation provider in the last two years. For our take on the fare hike and its possible effect, see our editorial on page 6

Stouffville Says

By Sandra Bolan

How do you feel about GO Transit's most recent fare hike?

— Asked at the Stouffville GO station

Jean
TENCE

It's unfair, especially because I'm a university student.

Jobent
SEVILLENO

Is it really necessary to have this increase right now, especially with the situation with the market?

Cynthia
CROKER

It still beats walking.

SHIDA
Dastoom

I think without extending services there shouldn't have been a hike. I don't know what more I'm getting out of my ride.
