\$1.00**

Eating your greens is one of the healthiest things that you can do for your body! They are packed not only with the vitamins and minerals that your body needs, but also phytonutrients, enzymes, fiber, and complex carbohydrates. Organic produce is much higher in nutrients and there is no comparison in taste. When you stay on the green side of the food chain you have more energy, more mental clarity and live a much healthier life. Enjoy them every day!
