Dentistry on Main

In a fast-growing community like Stouffville, finding a dentist shouldn't be too difficult, but finding one that you like and trust with your pearly-white smile can sometimes prove problematic, particularly if you need a practitioner with specific skills.

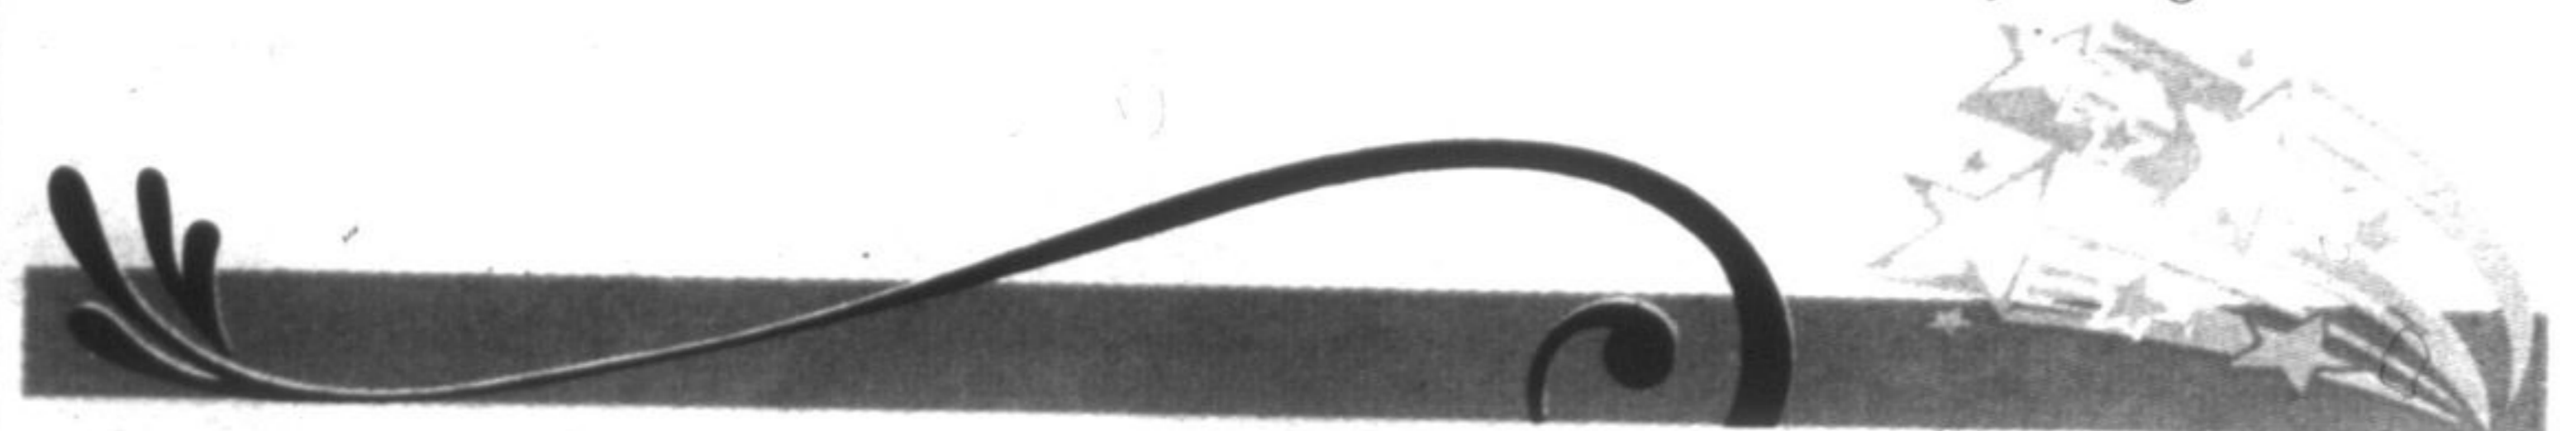

For many area residents, it was an easy choice as they overwhelmingly choose Dentistry on Main, owned by Dr. Vivian Ke, as Best Dentist in our Reader's Choice Awards. "We're thrilled to gain such recognition," said Dr. Ke. "While it doesn't mean we're the absolute best in the area, it does show how positively our patients view the practice. We try very hard to make each and every visit a great one."

Dr. Ke, who graduated with top honours (Gold Medal) from Dalhousie University with a degree in Dental Surgery in 1996, specializes in family and children's dentistry. As a dental resident at The Hospital for Sick Kids in Toronto, she studied in the cleft lip and palate clinic there, as well as serving at Bloorview MacMillan, providing dental care to severely handicapped children.

She has also helped care for Native children in Northern Ontario and assisted at the Princess Margaret Hospital's facial cancer clinic. Dr. Ke has also been a clinical instructor at U of T's school of dentistry.

After 10 years in Toronto, Dr. Ke is thrilled to bring that unique background to her family dental practice here in Stouffville. "I put a great emphasis on being an honest, gentle and caring dentist who treats patients, not just their teeth," she says. "Quality dental care is never an accident. It is the result of sincere intention, diligent effort and wise decisions."

Dentistry on Main is located at 6601 Main Street and Dr. Ke can be reached by calling 905-640-0999.

Giant Tiger

As a winner of two Reader's Choice Awards, there's no place for Stouffville's Giant Tiger outlet to go but up, according to new store manager Darrell Morrison.

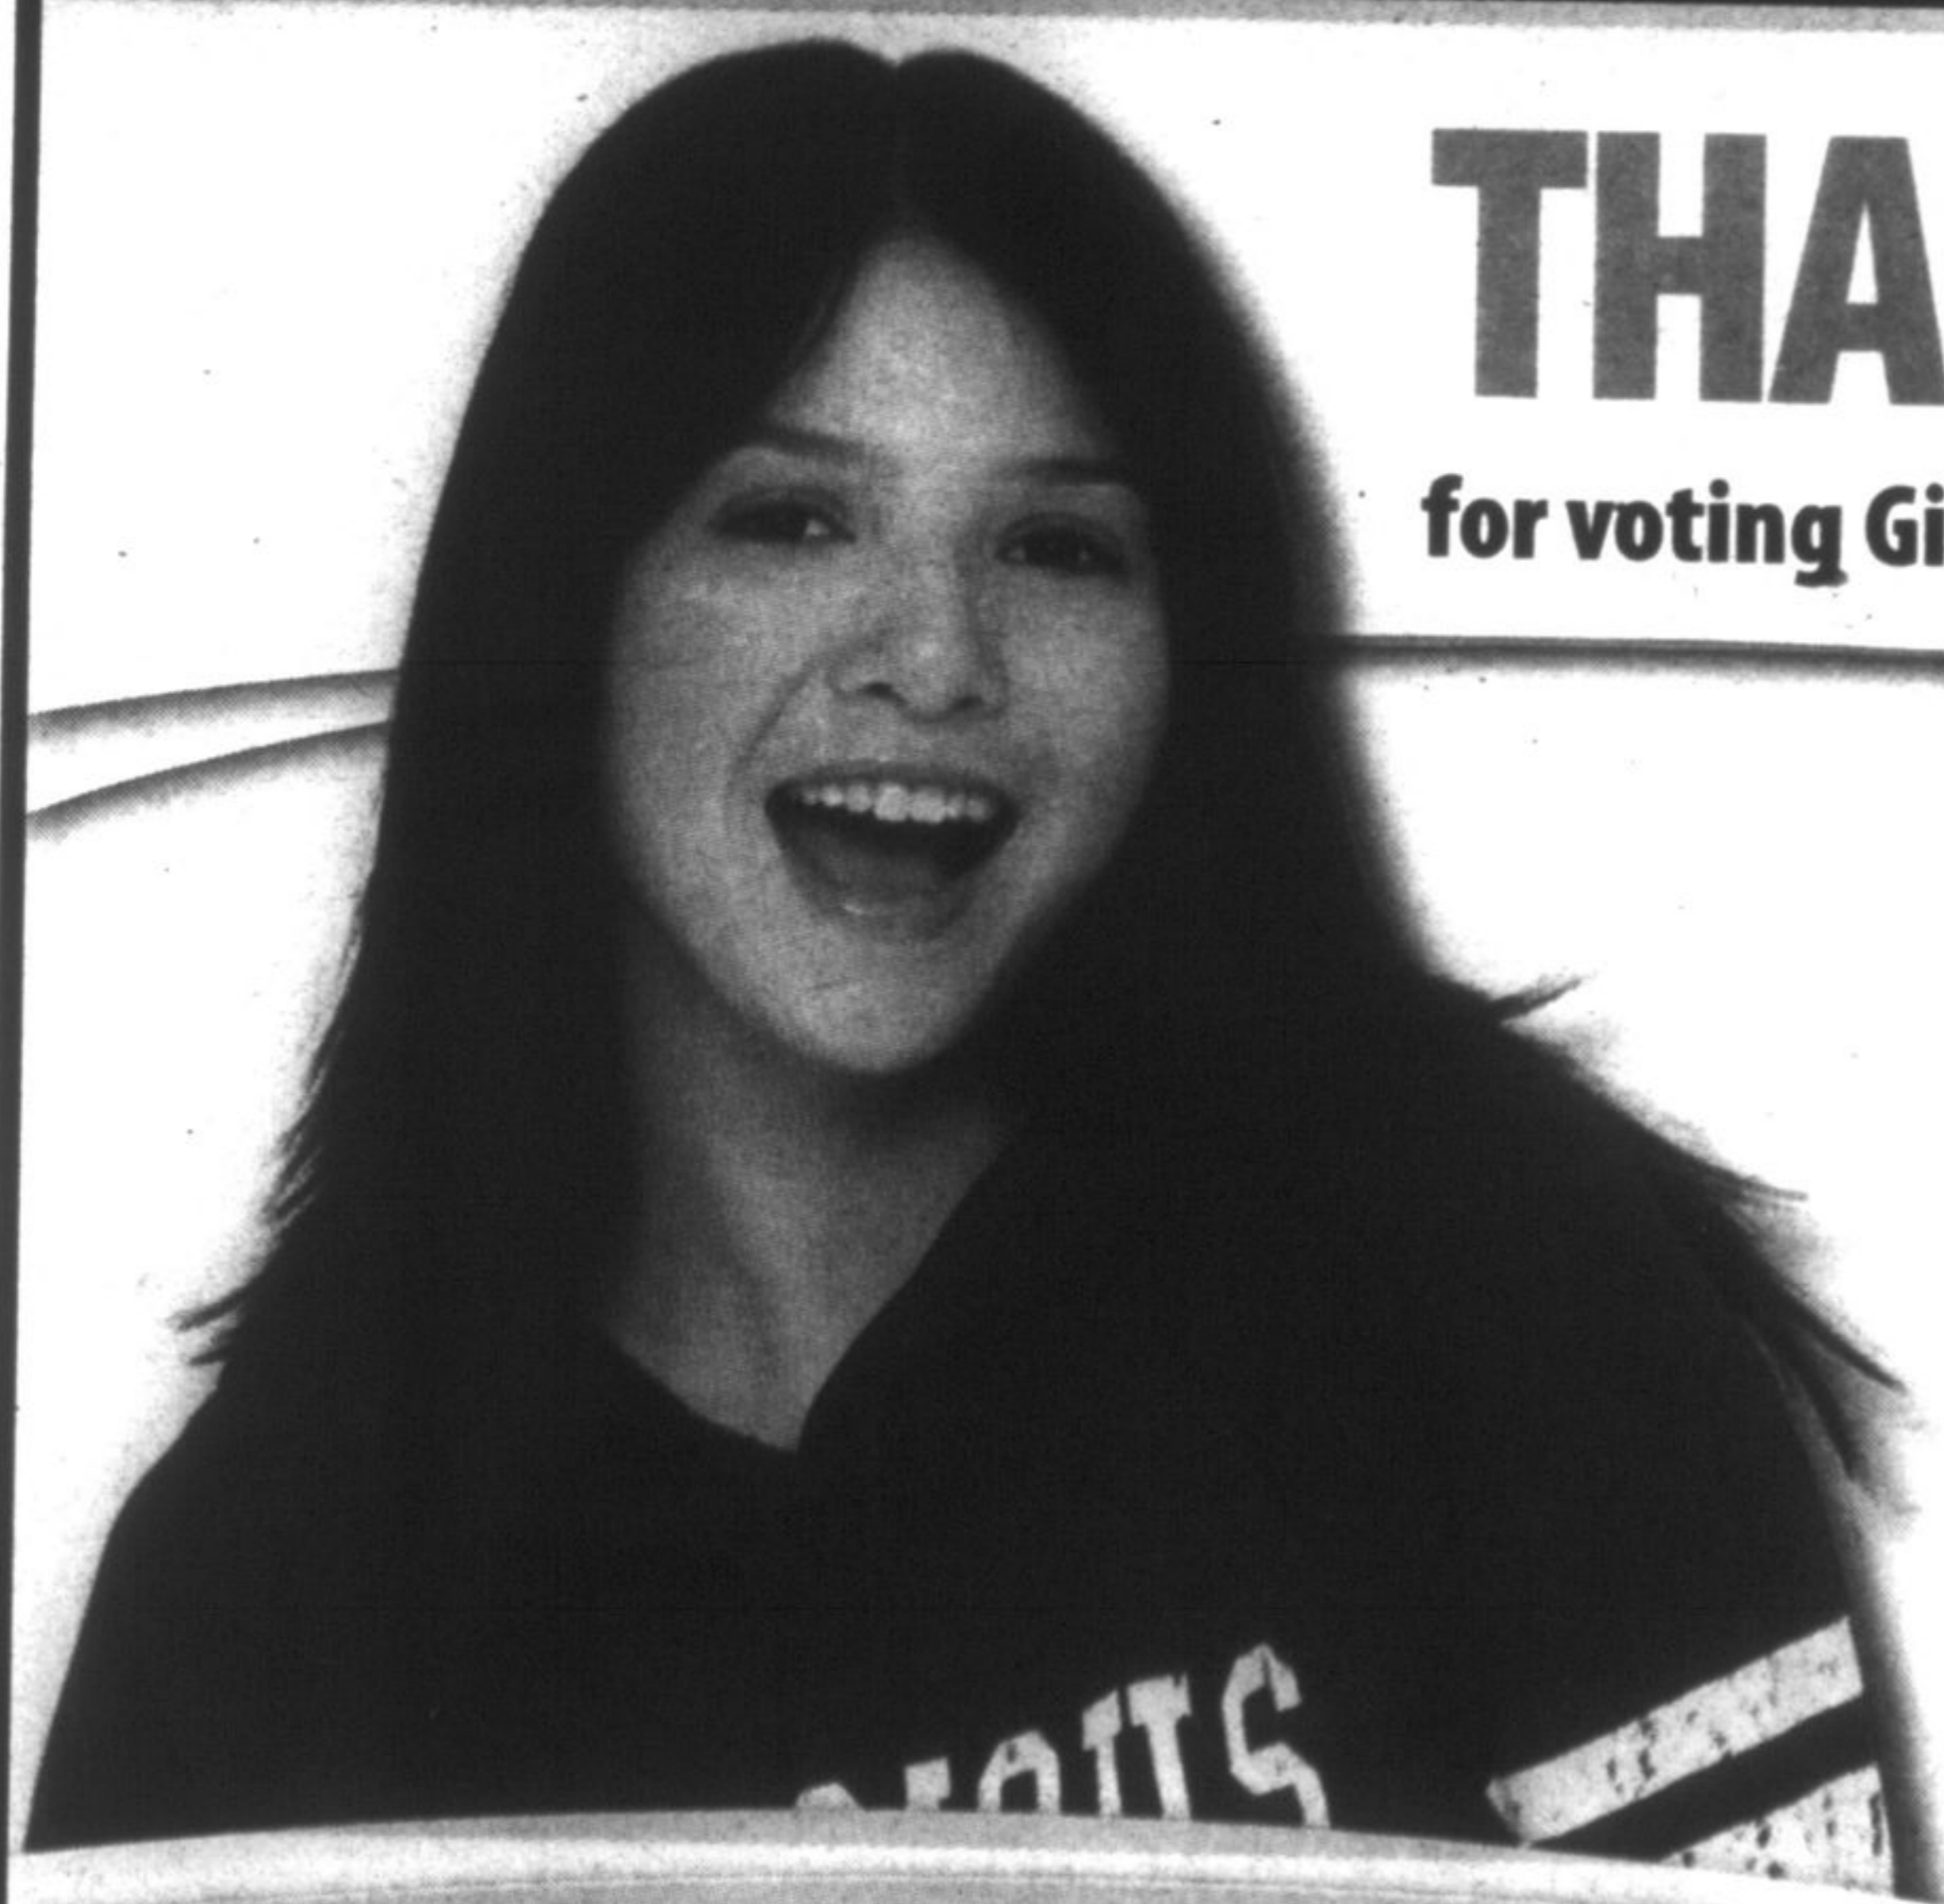

"I really want to thank our loyal customers for naming us Best Department Store and Best in Children's Clothing, and I think the main reason we won is because of the awesome people, the associates who work here," says Darrell. "It's one of the best stores in the chain and I want to tell all those people who haven't seen us lately to come back and check us out."

With almost 200 locations across the country, Giant Tiger is the third-largest discount store in Canada and the company's success is based its progressive value-oriented, no-nonsense approach to retailing - to be the major family discount store, offering recognizable, basic products at low everyday prices. Giant Tiger was designed as a grassroots organization with tremendous buying power, great people and constant improvements to make things better for its people and its customers.

"People already know they'll get the lowest prices here on clothing and household goods because we match anyone's lowest prices," says Darrell. "But not everyone is aware that we have the lowest prices on grocery and food items, too. And, because of our purchasing centres located in other countries, we get the newest and hippest fashions months before anyone else."

Giant Tiger, he says, provides great value at everyday low prices to satisfy all the basic family/household needs within a narrow assortment that is kept in stock and readily available. "We're always focused on driving down our costs and improving our efficiency, so we can continue to offer the lowest possible price and a rewarding shopping experience."

Stouffville's Giant Tiger outlet is located at 5892 Main Street and can be reached by calling 905-640-4706.
