"I received my auto renewal for the new year, and was not pleased with the premium. I was talking to some family members and they recommended that I talk to the brokerage they dealt with, Alsop Insurance. Jeremy at Alsop gave me a quote that will save me \$650 per year!" - Rhonda, Sutton

Lebovic Leisure Centre

If you Google "Lebovic Leisure Centre", one of the first sites you'll be directed to is www.swimmersguide.com and what you'll find there is this review - "4 stars for adults and 5 for kids. They have everything you could ask for, for children. For adults, the pool is the perfect depth and there's a very large hot tub. There is a well-trained staff to make sure everyone is safe. If you want to work out, you can go to their gym, which is clean and has spotters everywhere to help and give you tips. As a local Stouffvillian, I recommend this centre for the whole family or just for a nice relaxing swim or workout."

While that's just one person's opinion, it goes a long way in explaining why the Lebovic Leisure Centre, owned and operated by the Town of Whitchurch-Stouffville, has bested any and all private centers in the area to win our Reader's Choice Award as Best Fitness Centre.

Opened in Stouffville Memorial Park in 2001, the Lebovic Leisure, Aquatic and Fitness Centre features a 2,300-square foot training room, a 1500-square foot group-fit studio and a six-lane, 25-metre swimming pool. It's a full-service centre and home to more than 1,000 regular members who take part in fitness programs, aquatic activities and training, according to Fitness Supervisor Barb Armstrong.

"People come here because we offer so many options and the most economic of those is a full membership," Barb says. "Every member gets an individual fitness program. We also offer short term - three month and six month programs - which can be used as trial memberships or rolled into full memberships."

Key to the success of the Lebovic Centre, Barb says, is the dedication of staff. "If you're here for more than week and we don't know your name, that's a surprise. They're all very interested in making you feel comfortable with your own fitness program."

The Lebovic Leisure Centre is located at 30 Burkholder Street and can be reached by calling 905-642-7529.
