Markham Stouffville Hospital and the Legacy committee personally thank Draeger Medical Canada for their generous donation of two infant Resuscitaire Warmers valued at close to \$50,000! These warming beds allow doctors and nurses to observe and care for babies in the Special Care Nursery at the hospital and allow the hospital to continue to provide the best possible care for its littlest patients.

"Draeger Medical Canada is committed to our partnership with the hospitals in our community such as MSH and their goal to providing exceptional health care for the Markham Stouffville community. Sponsoring events like the Legacy for MSH ensure it continues it's growth towards being one of the best healthcare facilities in Canada!" says Frederick Donaldson, VP & Chief Financial Officer, Draeger Medical Canada Inc.
