The Grass is Greener on This Side.

The Hershey Company is one of Canada's leading chocolate and confectionery companies, with a strong portfolio of brands that delight consumers every day. Would you like to sell Oh Henry!, Hershey's Kisses, Twizzlers, Ice Breakers Mints & Gums, Hershey Bliss and more? If so, we have a sweet opportunity on our field sales department team:

Retail Sales Merchandiser - Part-Time Markham, ON

If you are a road warrior who thrives on working independently, interacting with people and closing the deal, this is the opportunity for you. We'll rely on you to increase sales volume through effective merchandising, selling and servicing at assigned stores. You'll ensure effective product distribution and display, build relationships with store managers and book seasonal programs. You'll also provide accurate activity reports and attend district and regional meetings.

Our ideal candidate will have a bachelor's degree and 1-3 years of sales experience, preferably in consumer packaged goods. You'll need strong communication, analytical, organizational and time management skills, as well as proficiency in MS Office Suite. We require a passport, valid driver's license and good driving record, along with access to an insured vehicle (we'll pay for mileage). This is a part-time position, with up to 24 hours per week.

We offer competitive compensation, fantastic recognition programs and other valuable benefits.

Please forward a cover letter and resume to momentsofdelight@hersheys.com by May 18, 2009. Learn more at www.hersheycanada.com.

No phone calls, please. We thank all applicants; however, only those under consideration will be contacted.

A Watershed for Life

The Lake Simcoe Region Conservation Authority is seeking an
Environmental Planner
1-year contract (with possibility for renewal) in Newmarket, ON
Salary Range - \$53,832 to \$62,967

Reporting to the Manager, Planning, the successful candidate will provide excellent customer service to the public, member municipalities and other government agencies pertaining to applications circulated under the Planning Act and regulations passed under the Conservation Authorities Act (Section 28). In addition, the incumbent will conduct site inspections, review and comment on applications for zoning by-laws, official plan amendments, consents and site developments and investigate and resolve complaints related to permits issued by the LSRCA.

A degree in Environmental Science, Geography or other related fields with 3-5 years of experience evaluating planning applications in relation to resource management issues and the administration of Section 28 regulations are definite assets.
