

WALKED OUT OF HWY. 48 WRECK

A dump truck and car collided at the intersection of Hwy. 48 and Main Street around 1:30 on Tuesday afternoon, knocking down a light standard and re-routing traffic well past the evening rush hour. The driver of the truck was uninjured, while the car's driver had to be transported to hospital, although he was able to walk away from the accident.

Whitchurch-Stouffville Museum's Annual ANNUAL EXHIBIT

"You Asked For It"

What would you ask an early settler living in Whitchurch-Stouffville? Working in partnership with several W-S schools, this exhibit will answer questions submitted by local Grade 3 students. Questions range from living conditions and family traditions, to school life, pets, toys, survival, and the career choices of our earliest residents. Come and see if your questions are answered!

On display until September 11.
