

The Olympic Torch Stops Here December 17!

Everywhere you look in Markham, excitement is building for the arrival of the Olympic Flame and you are invited to attend the celebration. Markham is a "Celebration Community" for the Vancouver 2010 Olympics and there's a once-in-a-lifetime party planned for Markham on **December 17, 2009**, as we cheer on the Flame on its journey toward Vancouver.

Special entertainment is planned at the Markham Civic Centre. Taking the stage are the Leahy Family, performer Justin Hines and entertainer Suzie McNeil. Past Olympians from the community will parade. There's fun for the whole community.

Led by Courtney Drake (Kicks Dance Studio), Markham performers are creating a special piece, with talented dancers and percussionists already in rehearsal on a choreographed number. Come and feel inspired as the Olympic Flame visits Markham.

Everything gets underway at 9:30 a.m. The Flame arrives just after 11 a.m. and the Celebrations continue until 1 p.m. The Markham Civic Centre is located at 101 Town Centre Blvd. (northwest corner of Highway 7 and Warden Avenue). Come and celebrate. Show your support for the 2010 Winter Olympic Games.

For more details on the celebrations, visit www.markham.ca later this fall.

"Julie has the soulful, honed voice of a bona fide star in the making. "Rich Girl" is quite possibly the sweetest love song ever written. Magnificent."

The magic happens somewhere between the groove and the melody. The essence of her lyrics and her smooth, soulful voice already had you, but you become hypnotized by the rhythm and lifted high by the song. As the song escapes her lips, it finds its way straight to your heart.
