**COUNCIL HIGHLIGHTS NOVEMBER 3, 2009**

**BETHESDA PARK SPORTS FIELD PROJECT UPDATE**

Council received an update for the Bethesda Park Sports Field. Delivery of the sports fields and parking lot remain generally on schedule and budget. The frequent rain events have caused delays in key aspects of the project schedule which have affected the start-up date for the construction of the field house and associated amenities. Council concurred with staff recommendation that the construction of the field house and associated amenities be deferred to the spring of 2010 with a projected completion date of July 2010.

**MAIN STREET REHABILITATION**

Council approved the engagement of a consultant for the design and tender document preparation for the Main Street Rehabilitation from Ninth Line to Tenth Line. The project work will include pavement resurfacing, curb replacement at specific locations, re-setting of catchbasin and manhole frames and curb extensions on the south side of Main Street at Civic Square.

**"NO PARKING" ZONES**

Council approved "No Parking Anytime" signs be installed in the following locations:

- East side of Weldon Road from Main Street to Dougherty Crescent;
