**First-place atom BB Stars earn bye in girls hockey playoffs**

The Stouffville Markham BB atom Stars finished off their Lower Lakes Female Hockey League regular season on a positive note after skating off with a pair of victories last weekend.

Ignited by goals from Emma Tworzayanski and Miranda Sharp and a stellar netminding effort from Lennan Dano, the Stars edged visiting Oshawa 2-1 last Friday.

Claire Hary earned assists on both markers. The Stars carried that momentum into their finale the following day to down the Durham West Lightning 4-0 in Pickering.

Ellie Sasaki, Hary, Juliana Hutton and Dani Fox each scored once for the Stars.

Frances Tenney played in goal and posted the shutout.

Concluding the regular season in first place in their division and second overall with a 19-1-2 mark, the Stars earned a first-round bye and will face Clarington or Oshawa in the semifinals to start later this month.
