HOSPITALS

One of Ontario's largest hospital networks, located east of Toronto in beautiful Durham Region, Lakeridge Health offers the best of both worlds: great career opportunities and quality of life. Through our four hospital campuses, Regional Cancer Centre and specialized Mental Health and Addictions program, we offer a broad range of healthcare services, foster a culture of lifelong learning, and use our *Better Together* approach to provide excellence in patient care and service.

Patient Care Manager

Become part of our new management structure, as we focus on quality and sustainability. At our **Port Perry**, rural campus, you will use your effective management, leadership, planning and budgeting skills to promote skill improvement, oversee smooth operations, and enhance a healthy workplace and patient experience. You hold, or are pursuing, a degree in a health-related discipline, have current BCLS, and bring 2 to 3 years of recent clinical experience.

Patient Care Specialist, Inpatient Surgery

This **Oshawa-based** management position involves creating supportive staff learning opportunities. An agent of change, you have proven leadership and project management skills, significant recent clinical experience, and knowledge of hospital nursing functions, best practice guidelines and adult education and teaching/learning principles. A baccalaureate degree in Nursing, current BCLS and valid CNO registration are required.

We also have openings for **Clinical Nurse Specialists** (Corporate Emergency Program, and Medical/Surgical Inpatient Unit) and **RNs** (Cardiopulmonary, Critical Care, and Emergency) to join our dedicated team.
