

## Trucks, Tims don't mix on Hoover Park Drive

Truckers caught parking their rigs on Hoover Park Drive while they run into Tim Hortons for a double-double, will now be hit with a \$35 fine.

No-parking signs have been placed on the north and south sides of Hoover Park Drive east of Hwy. 48 to just east of Tim Hortons' entrance.

"We're trying to pro-actively address a potential concern," said Town of Whitchurch-Stouffville Clerk Michele Kennedy.

Over the past several months, the town has received complaints from residents regarding large tractor trailers parking on the south and north sides of Hoover Park Drive causing traffic congestion.

"I love the coffee. This has nothing to do with the retailer," said town CAO Dave Cash. "It's a safety issue."

A few complaints were also received about cars parking on the road.

"They thought it was faster than going into the parking lot, parking and going in," Ms Kennedy said.

## Hydro One buys Tenth Line land from town

The town has sold half an acre of land at 12299 Tenth Line to Hydro One for \$165,000.

The U-shaped piece of property is zoned industrial and located behind the Hydro One transformer station, which is just south of the Stouffville Country Market and north of Main Street.

The site has a three-bay metal garage on it and has been leased to K-Line Industries on a month-to-month basis since 2002.

The land will house a mobile unit substation, in the event of maintenance or a power failure.

Net proceeds from the sale will be deposited into the town's capital reserves fund.

The closing date is April 20.
