(\*new time)

## COUNCIL HIGHLIGHTS MAY 18, 2010

### VOTE TABULATION EQUIPMENT ALLOWS FOR INDEPENDENT VOTING AT ADVANCED POLLS

Council endorsed the use of vote tabulation equipment for the 2010 Municipal Election during the advance votes period. As a result of providing these assistive devices, electors living with disabilities will have the opportunity to exercise their right to vote independently on October 16, 18, 19 and 20, 2010.

### BUILDING A FUTURE FOR OUR PAST

Council awarded the tender for the construction of the Museum Visitor/Community Centre to VGN Construction Ltd. The addition to the museum is viewed as an important cultural community project in rural Whitchurch-Stouffville that will better leverage the facility as a key element in the Town's leisure, culture and tourism development strategy, especially given the facility's proximity to Highway 404. It will create a new, quality venue for arts, heritage and community celebration activities centrally-located within York Region and opens the possibility for a wide variety of new programming initiatives to increase public exposure to heritage, artistic and multi-cultural experiences while also contributing to the financial sustainability of the community's cultural facility. Staff also informed Council about the Museum's Building a Future for Our Past fundraising campaign.

### WATER DISTRIBUTION SYSTEMS FLUSHING PROGRAM - COMMUNITIES OF BALLANTRAE/MUSSELMAN LAKE AND STOUFFVILLE

The Public Works Department reminds residents that it conducts a major watermain flushing program of the Town's water distribution systems twice annually.

The work is to be conducted daily, Monday to Friday, between the hours of 9:00 am and 3:30 pm.

The process involves the flowing of fire hydrants for several minutes. The program will remove accumulated sediment from the systems. Some temporary discoloration may occur. The presence of this sediment does not pose a health hazard. Should anyone experience any discoloration of water, please let the water run until it clears. We apologize for any inconvenience this may cause. It also allows Public Works crews the opportunity to check the operation of hydrants to ensure that they are in proper working order.

Questions or concerns are to be directed to 905-640-1910 or 905-895-5299 ext 306.

### OUTDOOR WATER USE FOR THE COMMUNITIES OF STOUFFVILLE, BALLANTRAE AND MUSSELMAN LAKE WATER DISTRIBUTION SYSTEM

No person shall use the municipal water of the Town of Whitchurch-Stouffville from a hose, pipe, sprinkler or permanent water irrigation system for the purpose of watering any lawn, garden or the washing of vehicles, sidewalks or driveways or the filling of swimming pools except as follows:

- An EVEN numbered address may use water outdoors ONLY ON EVEN NUMBERED DAYS of the month;
- An ODD numbered address may use water outdoors ONLY ON ODD NUMBERED DAYS of the month;
- Outdoor water use is only permitted between the hours of 6:00 am to 10:00 am and 6:00 pm to 10:00 pm. This use of municipal water from a hose, pipe sprinkler or permanent water irrigation system outside these periods is a contravention of the by-law.
- That these conditions be in place between May 15th and September 30th of each year;
- Exemptions to the above are provided in Schedule "A".

For a complete copy of this notice and a list of the exemptions, please visit our website at [www.townofws.com](http://www.townofws.com) or call Public Works at 905-640-1910 or 905-895-5299 ext. 306.
