

SAFETY: Suspect found in house under construction

Hwy. 404 police chase ends with man facing charges

A 47-year-old Burlington man faces charges following a police chase through York Region on Victoria Day.

An OPP officer attempted to stop a car in the northbound lanes of Hwy. 404 in western Whitchurch-Stouffville around 10:18 a.m. Monday when it accelerated northbound at more than 180 km/h, police said.

The car exited at Bloomington Road and headed east at high speeds.

The chase was called off "in the interest of public safety," said Const. Graham Williamson.

Officers and canine units from the OPP and York Regional Police were called to the area.

Within minutes, the vehicle was found in a new subdivision near Bloomington Road and Bayview Avenue in Aurora. A man found in a house under construction was arrested.

A Burlington man was charged with dangerous driving, engage in pursuit, engage in stunt driving and driving while suspended. He was released and is scheduled to appear in court in Newmarket on June 30.

Your final shot at golf contest prizes

Annoying and confounding. Sometimes they'll have you talking to yourself by the end of the day.

On the other hand, they may be the highlight of your golf round and you'll want to talk about them all day.

The Stouffville Sun-Tribune wants you to tell us about your favourite York Region golf holes. Our contest will feature categories for par-3s, 4s and 5s with an opportunity to win great prizes, including a foursome with carts at Silver Lakes Golf & Country Club and a golf package from Cleveland Golf/Srixon.

Tell us in 150 words or less about what it is you love, hate or tolerate about your selection(s) and we'll publish some of the best in future editions of York Region Media Group newspapers.

We'll also publish some of the best entries about the top holes later in the golf season.

All entries will be entered into a random draw for prizes. Contest entries close May 31.
