

## Learning Disabilities?

If you or your child suffers from **LEARNING DISABILITIES** then attending this free symposium may be the most important thing you do this year. You will discover the true cause of these conditions and natural solutions and options you can use right away to overcome them.

Many children and adults with **ADD and Dyslexia** have seen significant improvement without medication. Dr. Turner is an international speaker and lecturer who has been featured on the *Dini Petty Show*, *National News*, *Canada AM*, *CFTO News*, *Marilyn Denis CITYLINE* and *Riley Live*. He will present a free symposium on Thurs. June 3<sup>rd</sup> at 7:30 pm at the Stouffville Health Centre, 6219 Main Street.

Call 905-640-4440 to reserve your seats today!

## Bach to Blues concert aids care fund

Classics from Handel and Mendelssohn, along with swing tunes and contemporary choral arrangements will be a part of Bach to Blues' Musical Tapestry performance on June 6.

The show, which takes place at Christ Church Anglican, 254 Sunset Blvd., and starts at 2:30 p.m., will also feature Nicole Strawbridge and Spanish tenor Aldo Buzzolini.

Profits from the show will go to the Whitchurch-Stouffville Emergency Care Fund, which assists residents who are in need of financial aid.

Tickets are \$10 each in advance and are available by calling 905-640-5999, 905-649-2684 or from any choir member.

Tickets will also be available at the door for \$15. Children's tickets are \$7 each.

Bach to Blues, a mixed voice chorus, was founded in 1998.

COMING UP

## Firefighters get charitable with ball hockey tourney

BY SANDRA BOLAN  
sbolan@yrmg.com

Boston Pizza's parking lot will be turned into a ball hockey rink as firefighters from across southern Ontario take part in the second annual Summer Slapshot Ball Hockey Tournament next Saturday.

Trading in his skates for a pair of running shoes will be Toronto Maple Leafs assistant coach Keith Acton, who along with Councillor Richard Bartley and Sun-Tribune editor Jim Mason will head up the all-star Boston Pizza squad. Leafs forward John Mitchell played on the squad in 2009.

Last year, the tournament, which was moved to the Stouffville Arena at the last minute due to rain, raised \$1,500 for the vandalized Fallen Firefighters Memorial.

"We were trying to figure a good way to raise funds for it and came up with the ball hockey idea," said Chris Leonard, a firefighter with Whitchurch-Stouffville Fire and Emergency Services and organizer of the event. "It turned out pretty well considering the weather."

This year's beneficiaries will be Muscular Dystrophy Canada and the

Whitchurch-Stouffville Emergency Care Fund.

So far there are 10 teams registered for the tournament and games will be played at Boston Pizza and the Stouffville Arena.

*This year's beneficiaries will be Muscular Dystrophy Canada and the Whitchurch-Stouffville Emergency Care Fund.*

Since the event is for firefighters only, except for the Boston Pizza team, the restaurant will donate 10 per cent of its food sales that day to the two charities. A boot will also be passed around to spectators for donations.

"We'd definitely like to surpass (\$1,500) but at least match it. We're definitely trying to make it bigger and bigger," Mr. Leonard said.

The first game gets underway around 9:30 a.m. with the championship game starting around 5 p.m.

### SPRING AND SUMMER SERVICES

Weekly grass cutting (trimming as well) • Garden/flower bed maintenance  
Tree and shrub maintenance (shrub shaping, tree pruning) • Fertilizing • Aeration  
Dethatching • Spring clean up • Planting (flowers, shrubs, trees etc.) • Delivered top soil, triple mix, peat loam, lime stone screening etc. • Landscaping, interlocking & water features etc.

# UNDER CONSTRUCTION

## Markham Stouffville Hospital is GROWING!

We often hear that summer is the season of construction, and that will be very true this summer at Markham Stouffville Hospital.

As we look forward to breaking ground on our new building in the fall of this year, we are working on a number of projects to prepare our site for this major construction.

We have been working on some of these projects for the past several months and fortunately they have been minimally disruptive to our community and staff.

Some of the projects we will be working on in June and July will be more disruptive and we ask for your patience and cooperation.

### Patients are OUR PRIORITY

Although the hospital will start to look more and more like a construction site, please be assured that our number one priority remains providing exceptional care. We are working closely with our partners, including EMS, to ensure you will continue to have access to the programs and services you need throughout our construction process.

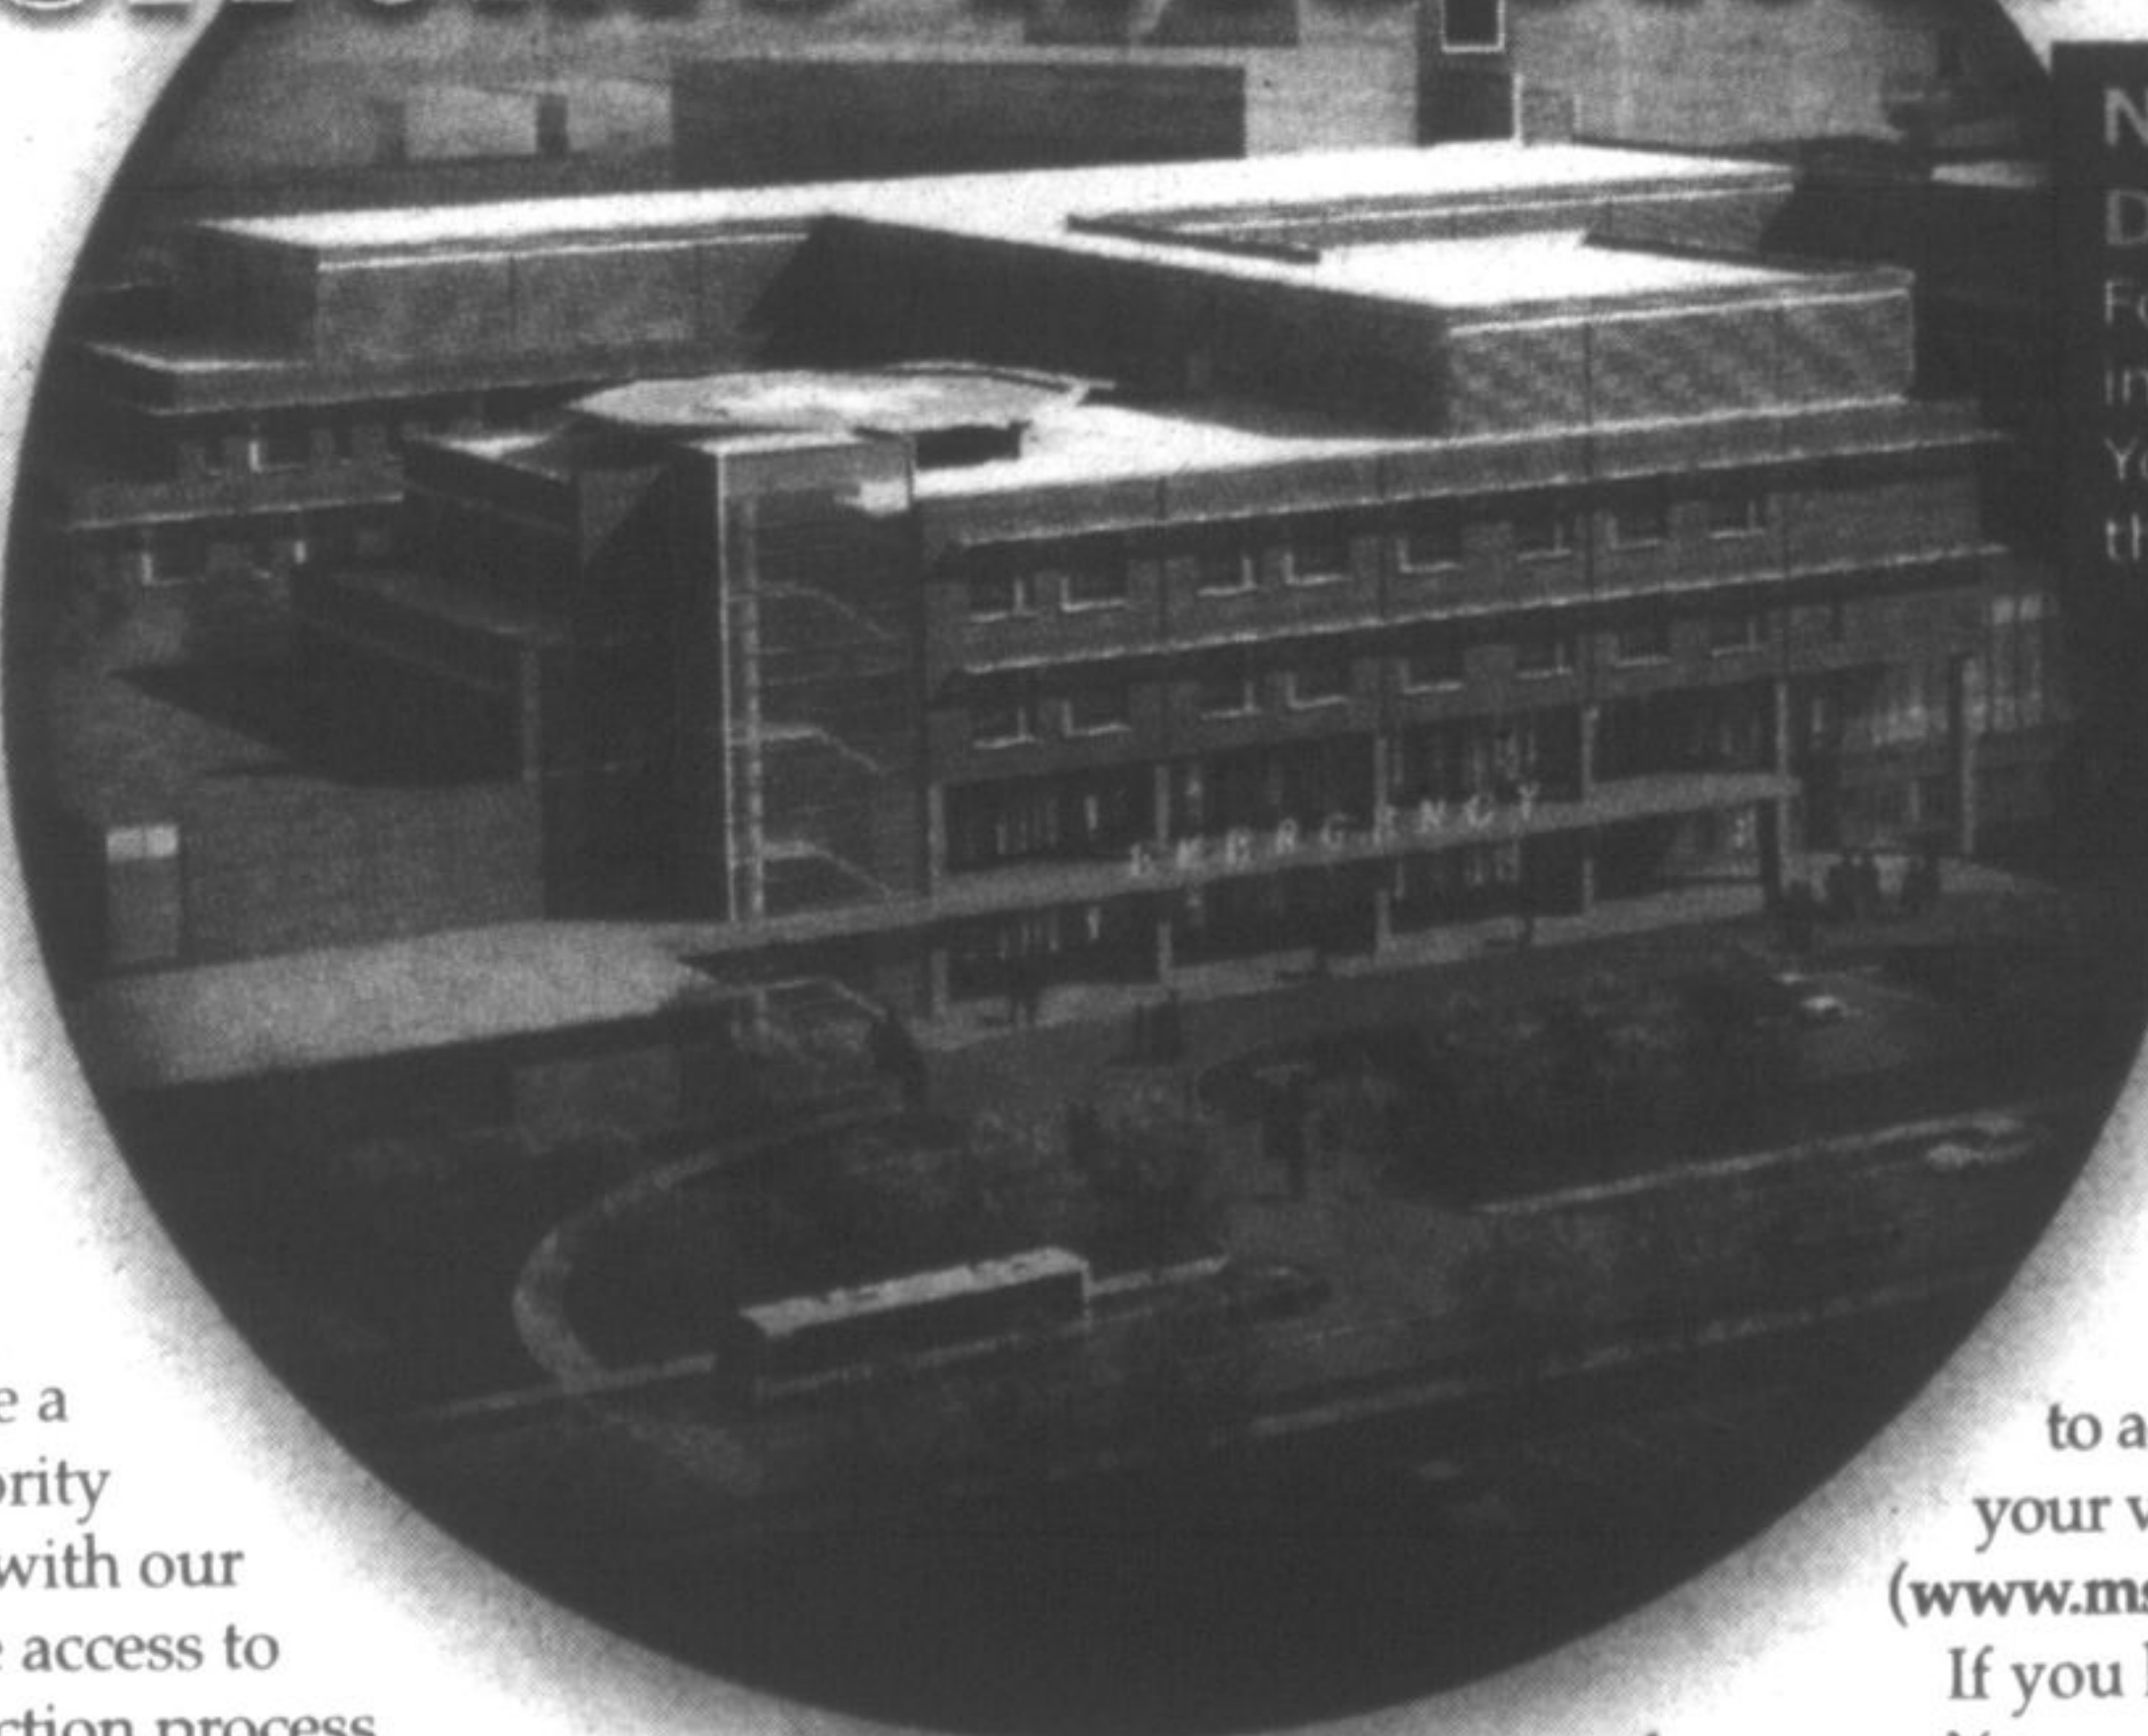

### UPCOMING CONSTRUCTION INTERRUPTIONS

#### Construction on Butternut Lane

Over the next two months, there will be traffic restrictions on Butternut Lane East and partial closures on Butternut Lane West. These projects are necessary to relocate access to our staff parking lot and to relocate some existing storm and sewer lines.

Access to our visitor parking lot and main entrance will always be maintained as we work on these projects, but there will be some restrictions and possible delays for people coming to the hospital.

Additionally, YRT and VIVA services will also be impacted by the work. Please check with your

### NOTE: Childbirth Pre-Registration and Diabetes Clinic Patients

For your appointments, please call ahead for further information and directions for accessing the clinics. You can reach the Diabetes Clinic at (905) 472-7527 and the Childbirth Pre-Registration Clinic at (905) 472-7374

transit provider to determine what accommodations have been made to deal with the construction.

Given that the various construction projects are happening in phases, please visit our website ([www.msh.on.ca](http://www.msh.on.ca)) for detailed maps and regular updates.

### What can you do to reduce the impact to you or your loved ones?

You may want to come a few minutes early for your appointment to accommodate any minor delays you may experience when parking your vehicle or entering the building. You can also check our website ([www.msh.on.ca](http://www.msh.on.ca)) for regular updates about our construction projects.

If you have any questions or comments, I would appreciate hearing from you. You can email me at [myhospital@msh.on.ca](mailto:myhospital@msh.on.ca)

We all know that construction projects can be loud, messy and can cause inconvenience. I encourage you to remember that at the end of the project, we will open the doors to a beautiful new building that will provide greatly expanded programs and services to our communities of Markham, Stouffville and Uxbridge.

Sincerely,

*Janet M. Beed*
