RANDY'S APPLIANCES

Randy's Appliances is celebrating 32 years in the appliance business this year. Randy's experience in the industry goes back even further. Randy's father had a used appliance store in Toronto in the early 1960s. Appliances have changed dramatically over the years. Randy started fixing old wringer washers and round-cornered, manual defrost fridges in the '60s. Now, it's new high-efficiency front load washers and high-efficiency fridges.

We thank our many loyal customers who we have done business with during the past 32 years and invite all Stouffville residents to stop in and see our selection of appliances. We are one of the few stores that sells appliances, parts and accessories and provides repair service as well.

Randy's Appliances is located at 33 Ringwood Drive, Stouffville • 905-640-4747

PATTI-LYNN INTERIORS

— YOUR COMPLETE INTERIOR DECORATING CENTRE

Patti-Lynn Interiors has been bringing spectacular, quality flooring, paint and window coverings to homes for 24 years. By taking the time to listen to your needs, provide valuable advice and recommendations, they are committed to find the perfect fit between your style, needs and budget. That's why they have been voted Best Flooring Store and Best Paint Store in the Reader's Choice Awards.

"We offer a one-stop shop for coordinating the look of your entire home" says Patti-Lynn Card, Owner. "This means we can help you select the flooring, paint and window fashions all at once or in stages, so you aren't backed into a 'colour corner' based on previous choices. This has saved our customers not only valuable time and money, but makes choosing their home finishes worry-free."

As York Region's largest independent home decorating centre, Patti-Lynn Interiors has earned a reputation for quality products using only the most reliable suppliers, and always do their best to offer Canadian made or distributed products including carpet, laminate, hardwood, porcelain and natural stone tile, vinyl and everything in-between. Explains Logistics Manager Mark Girard, "Reducing our carbon footprint and providing minimal delivery times ensure customers can get their flooring and window coverings as soon as possible and at competitive prices."

But what really makes the difference At Patti-Lynn Interiors is having knowledgeable staff and expert Ontario Certified Installers. "We take care of customers from the moment they walk in the door until the installation is complete" explains Patti-Lynn. "This includes professional measuring and accurate estimates for each and every customer, educated staff with the most up-to-date product knowledge, and courteous and professional installers with a keen eye for detail." Find out why hundreds of customers have referred their friends and family to Patti-Lynn Interiors for all their flooring, paint and window covering needs.
