**PROJECT COORDINATOR**

Pickering: We are looking for a dynamic and organized individual to join our growing team. We specialize in the manufacture and distribution of architectural specialty products including louvers, sun screens and grilles to Canada and the United States.

We are seeking qualified project coordinator who is an organized problem solver willing to take full responsibility of project files including all change orders, site condition issues and other project details. The Project Coordinator is the liaison between the customer and the production facility for all communication.

**Requirements:**

- Minimum of 5 years experience in a Project Coordinator function in Building Construction, preferably in architectural specialty products
- Ability to read, analyze, and interpret documents, drawings and technical procedures
- Ability to effectively present information and respond to inquiries quickly and accurately
- Ability to coordinate multiple activities based on priorities in a fast paced environment

Do you have what it takes and more? Then please send your resume to **Leslie Yeates at ProjCoordinator@hobb.ca**  
Only those applicants under consideration will be contacted.

**Clarkson Auctions & Movers Inc.**  
This is an occasional part time offer. We are a very particular moving company who offers our clients meticulous moving services. Required is an individual who is able to carefully assist us with the moving of household furnishings and general contents in the local area. Most of our staff are they who have taken early retirement, in good physical shape and will enjoy a few hours here and there as many of our days are not long hours. Being able to work in a slowed down atmosphere and living close to Stouffville is important. Will train the right applicant for what my regular staff says is usually an enjoyable position.  
Call or e-mail 905-640-6411 **clarksonauctions@rogers.com**
