

# Markham Village MUSIC FESTIVAL

## Canadian Record Attempt

By Rob Goddard, President, Helping Homeless Pets

June 19, 2010 on Main Street Markham, Helping Homeless Pets and the Markham Village Music Festival is calling all dog enthusiasts to come, sit and stay. It's all part of the Markham Village Music Festival's Barkham dog event.

In order to set the Canadian record for the Largest Simultaneous Dog Stay, the organizers need 130 dogs to all sit and stay at the same time for two minutes. The largest stay attempt is just one of the events taking place Barkham. There will be dog demos, games and face painting for kids, as well as many vendors with pet related goods and services.

As organizer Rob Goddard says, "You and your dog will have a 'barking' good time! But remember, Barkham is not just for dogs, we have things for cat lovers and those partial to small and furry creatures too!"

To participate in the largest stay attempt, visit <http://www.helpinghomelesspets.com/stay> and register.
