

GOOSE-STEPPING

5, Stouffville Sun-Tribune ■ Saturday, June 19, 2010

Sun-Tribune reader Happy Snow took this photograph of a family of Canada geese travelling along Lakeshore Road. They crossed Hwy. 48, headed for the pond on the southwest corner of the highway and Aurora Road in Ballantrae. That's mom out front and an even dozen newbies are in tow. You can't see one of the babies and dad, who brought up the rear.

Volunteers needed in garden

You can help Parkview Services for Seniors complete its gardens next Saturday.

The Stouffville Horticultural Society has been working with Parkview on the gardens at

its Weldon Road/Ninth Line property. Service clubs and local businesses are chipping in.

Volunteers, hammers, sledges and chain saws are needed next Saturday. Work begins at 9 a.m.
