NOTICE OF COUNCIL MEETINGS

 Council Chamber, 37 Sandiford Drive, 4th Floor
**TUESDAY SEPTEMBER 7TH
COUNCIL MEETING 7:00 P.M.**

CONSTRUCTION NOTICES

MANTLE AVE AT TENTH LINE TO BE CLOSED AUGUST 27th to SEPTEMBER 6th

Decorative pedestrian crossings are planned for the intersection of Tenth Line and Mantle Ave. To facilitate construction of the coloured impressed concrete, each lane must be closed for about 8-10 days. To avoid conflicts in the new traffic circle the side streets must be closed. There is a temporary access road during this construction from Duffin Drive to the Tenth Line.

Temporary traffic signals will be in place on Tenth Line to allow one-way traffic through the circles.

Please consider an alternate route and exercise caution if you do travel through the construction area. The Town appreciates your patience as construction on the Tenth Line nears completion.

ROSE AVENUE AND BURKHOLDER STREET RECONSTRUCTION

The Rose Avenue and Burkholder Street Reconstruction project is now under way after a minor delay that allowed the design team to review some construction options—particularly for the sanitary sewer—that will ultimately result in a shorter timeframe for construction and less disruption to the neighbourhood. Having broken ground this week, starting with the watermain construction, the work is planned to continue through to the end of November.

See www.rose-avenue-reconstruction.com for more information about this project. This is an interactive website that the Town will use to provide project details and construction updates, and it can also be used by residents to provide feedback as the work progresses. Visit the site often for information and updates, or to leave a comment on the project.

PARK DRIVE BRIDGE AND ROAD EXTENSION

The Park Drive Bridge and Road Extension Project continues, with work currently progressing on the berm and toboggan hill reconfiguration as well as the new bridge crossing Stouffville Creek. The work is expected to continue through December, but the schedule is subject to change due to weather. Top works, including boulevard plantings and top-lift asphalt will be completed next Spring (2011).

For more information visit the Town website, or contact the Project Manager, Troy Bauman, at troy.bauman@townofws.ca 905-640-1910 ext. 311.

The Town is currently undertaking improvements to the following:	
PROJECT	COMPLETION
Victoria Street – Main to Sunset – local traffic only	August
Mantle Avenue at Tenth Line (closed August 27th)	September
Tenth Line – Main St south to Mantle Avenue – one lane	September
Main Street – Tenth Line to Eastern Gate	September
Stouffville GO Station – East Parking Lot Rehabilitation Project	September
Memorial Park Diamond #1	September
Rose Avenue / Burkholder Street	November
Park Drive	December
Museum	March 2011
Please exercise caution in these construction areas and consider alternate routes.	

NOTICES

WATER BILLS – DUE DATE – AUGUST 27, 2010

WATER bills have now been mailed. Those who have not received their bills should contact the Treasury Department as soon as possible. Failure to receive a water bill does not eliminate the responsibility for payment of water or the penalty charge for late payment.

WATER PAYMENTS may be made by mail, at most Financial Institutions, banking machines, by telephone and internet or in person at the Town Office, 37 Sandiford Drive, 4th Floor. After hours, water payments may be made in the drop box at the front west entrance door at 37 Sandiford Drive. For inquiries, please contact the Treasury Department, at 905-640-1910 extension 316.

**The Town will no longer accept credit cards for payment
of your water accounts.**

WATER SUPPLY IMPROVEMENTS TO THE COMMUNITY OF STOUFFVILLE

The Region of York has completed the commissioning process for the supply of lake based drinking water to the Community of Stouffville. As part of York Region's Long Term Water Supply initiative to provide a secure water supply to the Community of Stouffville, the groundwater supply is being supplemented with lake-based water from the York Water System (YWS). The YWS has been implemented by connection to a new pump station located at the North Markham Reservoir on McCowan Road just south of Stouffville Road and water supply is being conveyed through a watermain on Stouffville Road to the existing system.

The YWS also supplies water to Markham, Vaughan, Richmond Hill, Aurora and Newmarket through the same treatment facilities that service the City of Toronto.

Quick Facts:

- Stouffville's groundwater supply and the YWS supply meet the provincial drinking water requirements and are of high quality.
- The supplement of YWS water supply will decrease the demand on the underground aquifers and provide additional security by having a lake-based source.

Please contact 905-640-1910 or 905-895-5299 ext. 306 with further questions.

RECRUITMENT

INSTRUCTORS REQUIRED!

The Town of Whitchurch-Stouffville is now accepting applications for Instructors for the fall and winter sessions, in the following positions:

Indoor Drop-In Playground On-site Supervisors

Mondays	10:00 – 11:30 a.m. – starting October 18
