APPLIANCES & TELEVISIONS

The Best Deal in Town since 1968

6392 Main St., Stouffville

905-640-3622

Buying major appliances should be viewed as a long term investment—they can last for up to a dozen years or longer. When you shop, you should look for two price tags: the price tag you see in the store, and the appliance's "second price tag"—the cost of the energy needed to run the appliance over its lifetime. Choosing an energy efficient model from **Card's Appliances** can add up to substantial savings over time.

After sale support includes fast professional delivery and hook-up, plus warranty repairs, service and parts should you ever need them. They service all makes, whether you purchased from them or not.

Founded in 1969 by Graydon K. Card as **Card's Dominion Hardware**, this firm relocated to a larger store at Stouffville Plaza in 1979 and diversified into appliances. Recently on August 10, 2010, the business moved to their present downtown site in the old Fire Hall building. Today, the business is managed by the founder's daughter **Ainsley Tucker** (nee Card) who joined the company in 2004.

Card's Appliances carries major brand name appliances such as **GE**, **Kitchenaid**, **Inglis**, **Whirlpool**, **Heartland** and **Danby**, plus **Panasonic** microwaves, **LG** televisions, **Broil King** gas barbecues, **Canadian-made Canavac** built-in vacuums, as well as **Petwa** water softeners which are also made in Canada.

As a local independent, **Card's Appliances** can be proud of their ability to provide the most competitive prices, plus all the information you need to make a purchase with confidence. Stop by the showroom to see the latest energy efficient models on display to make your household chores simpler, less time-consuming, and more convenient. Get the most value from your money!

PRIME AUTOBODY

Where Quality Workmanship is Assured

6 Cardico Dr., Gormley

905-888-1344

(1 km North of Stouffville Rd., West off Woodbine Ave.)

You can't choose whether your vehicle is going to be involved in a collision, but you can choose who will provide your repairs. It's your right as an insured Ontario motorist.

If your vehicle has been in a collision, insist on **Prime Autobody Collision Centre Ltd.**, a locally owned business with experienced technicians who have the training and expertise to handle the complicated repairs associated with modern vehicles. At **Prime Autobody Collision Centre**, they guarantee their workmanship, bringing your damaged vehicle to pre-accident condition. Value retention and vehicle safety remain the priorities, ensuring the customer's enjoyment of that car and return at trade-in.

Their painters at **Prime Autobody Collision Centre** can match virtually any O.E.M or aftermarket colour, restoring the vehicle to a showroom shine. The state-of-the-art downdraft spray booth helps eliminate the risk of dust and contaminates spoiling the desired factory-like finish.

Situated in a large concrete block building with a blue sided 2nd floor, this shop has a 5 ton hoist, 3 frame & unibody repairs racks, plus locked & fenced-in compound.

Arrange for your free computerized estimate at **Prime Autobody Collision Centre Ltd.** where insurance claims are a specialty. Owner **Rob Terveld** and the staff work in harmony with you and your insurance carrier to minimize your downtime. Towing and rental cars can be arranged for you.

If you have an out-of-pocket repair or a lease return vehicle that needs attention, you can expect a fair price and quality workmanship every time. They have been the right choice since 1984.
