Stabbed in Niagara Falls, Stouffville man stable

A Whitchurch-Stouffville area man remains in stable condition in hospital after being stabbed in the neck and chest over the weekend.

The incident took place Halloween Sunday at 1:10 a.m. on Fallsview Avenue in Niagara Falls.

A verbal disturbance took place between the victim and accused immediately before the stabbing, according to Const. Nilan Dave, media spokesperson for the Niagara Regional Police Service.

A knife was found in the immediate area during the ground search.

Arrested near the scene was a 23-year-old Toronto man and a 20-year-old woman who was subsequently released without being charged.

"They were seen by an officer fleeing the scene" on foot, Const. Dave said.

On Sunday afternoon a second suspect, a 24-year-old man from Etobicoke, was apprehended by a Niagara detective after witnessing him drive along the QEW near Vineland.

Both accused have been charged joint-

ly with one count of aggravated assault and one count of assault causing bodily harm.

"At this time we're sure that we have the people who are responsible," Const. Dave said.

On Sunday afternoon a second suspect, a 24-year-old man from Etobicoke, was apprehended by a Niagara detective after witnessing him drive along the QEW near Vineland.

The name of the victim and his current whereabouts are not being released because "in the cases of any violent incident, we're always careful to protect the victim. We don't want to deal with the unknown," said Const. Dave.

Acquaintances of the victim said he was in Niagara Falls with three friends from the Stouffville area.
