

STOUFFVILLE SAYS: Should the town replace the outdoor pool in Memorial Park with a splash pad complex?

BY STEPHANIE WEST

BOB WILLIAMS: "I'm sure a proper guy could patch the pool up. The pool is a good opportunity for students to have jobs. I think we need both."

BRITLYNN PRESTON: "The water park would be enjoyed by a lot of younger people. However, from a teenage point of view, it would be a waste as not many of us would use it."

DODIE CASTRO: "I would like to have the outdoor pool because the water park is more focused for kids, the pool accommodates more the older ones."

JASMINE HARDING: "We have splash pads already, the park would be a waste of money when we could put it towards something we don't have like an indoor soccer field."

MELISSA PIM: "It's a 50-year-old pool and will cost double the amount to repair it than it would be to get a new one... Stouffville needs to learn to live within its means."
