KIDDING THE COACH

Toronto Maple Leafs Mikhail Grabovski (left) and Nikolai Kulemin (right) share a laugh with their assistant coach, Keith Acton, during an autograph session at his Stouffville eatery, Boston Pizza, Sunday. The Leaf linemates were kidding the coach about his photograph from the Stanley Cup celebrations in Edmonton from 1988.

Downtown Stouffville

The PMA gives your child every opportunity to develop a life-long love of learning.

Attention all parents of elementary aged children: Montessori education continues to age 12! Progressive Montessori Academy (PMA) located on 6411 Main Street, Stouffville, offers Montessori education to children from preschool up to grade 6. The school began eight years ago and has been a school of choice ever since.

This year, for the second year running, all Kindergarten - Gr. 6 students at the Progressive Montessori Academy have been selected to be published in a nation-wide short story and poem writing contest! All of us at the PMA were thrilled to receive a handwritten note from the publishers stating:

"We noticed your school's entries were exceptional and far above average. Well done!"

This recent literary success is just one in a series of accomplishments crowning the careers of PMA students. Whether they are winning national competitions or writing their first alphabets, students at the PMA are always reaching their fullest potential. The PMA prides itself on its talented staff and specialized curriculum, which creates an environment in which children can challenge themselves and develop their natural talents. Low student teacher ratios, individualized lesson plans for each child and activities for hands-on learning are just a few of the carefully planned educational features awaiting children here. The academics typically move beyond the Ontario Curriculum.

Imagine your child having...

- Academic success
- A positive self-image
- The capability to overcome challenges
- Problem-solving ability
- Excellent communication skills
- Ease in adapting to change
- Respect and appreciation for community

Seems tricky? To find out how this can occur, consider attending the Open House on February 26th from 10:00 am to 2:00 pm. PMA will open its doors for facility tours and opportunities to meet staff and have questions answered. For more information, please call **416-220-8070**.
