\$122,000 prize package won by Gormley couple

A Gormley couple can go on safari in their new high-end SUV and still have plenty of cash left, thanks to the Heart and Stroke Lottery.

Tom and Michelle Riordan won the third-prize package in the Ontario draw, valued at \$122,000. It includes a South African safari, 2011 Land Rover LR4 and \$28,290 cash.

Alexandra Georgiou of Newmarket won second prize, valued at \$222,000. Audi and Lincoln vehicles and a European cruise are included.

The lottery has raised almost \$160 million to support life-saving research projects in communities across Ontario.

Knight, Springvale Boys sing for Parkview supper

Whitchurch-Stouffville singers Lloyd Knight and The Springvale Boys will perform at Parkview Services for Seniors' ninth annual fundraising dinner, Celebration of Spring, April 15 at EastRidge Church.

Parkview has been part of the Stouffville community, extending care and services to residents for 46 years at its apartment complexes and home for the aged.

Government funding provides only a portion of its operational costs. Funds raised at the dinner will be used to support the ongoing care of seniors by providing equipment as well as social and recreational activities.

Mr. Knight, who is recording his sixth album, sings ballads, songs from musicals and gospel. He made TV appearances on The Peoples Church in Toronto and 100 Huntley Street.

The Springvale Boys have been singing together since 2005. The boys - five men actually - are well known in the Stouffville area and active in Springvale Baptist Church.

For reservations, call Parkview Home at 905-640-1911, ext. 221 or Parkview Village at 905-640-1940, ext. 21.
