Despite the loneliness, I have learned to look back and smile at the good times we had - there were so many I'm so grateful I had the great joy of spending part of my life with you. You were so kind, loving and compassionate. Your sense of humour was so wonderful and as such helped to get us over some tough times. As any good teacher would, you taught me so much about the world around us. Thanks. I still grieve-over you, but I have learned to look at this as one of life's tough lessons. Until we are reunited, you will always be in my heart and the love of my life. Your wife, Joanne	258 In Memoriam
