 This past year has come and gone, it just seems like yesterday we were all together..... The memories we all shared will be truly cherished forever. There's a piece of the farm that is missing - Your rubber boots can never be filled by another. People will forever remember your smile. Your great sense of humour and your generosity. You left us too soon but left behind the proud family that you created. It's not goodbye, it's see you later. *Forever in our hearts.*
