Like any other vehicle part the timing belt eventually wears out. A broken timing belt can cause major engine damage, so be sure to replace it before it breaks. Service includes a Genuine Hyundai timing belt and labour as required by model. Ask dealer for details.

Expect more. Get more.

\$59.95 Cooling System Maintenance Special

Prepare your vehicle for the warm temperatures of summer! Maintenance special includes a flush and fill of your cooling system with Hyundai premium coolant as well as a thorough inspection.

Hyundai Cabin Air Filter

A cabin air filter is an essential part of your vehicle's ventilation system that removes pollutants from the air before they get inside the passenger compartment. Eventually, a cabin air filter starts to lose its effectiveness, as it gets dirty with use. We recommend that you get your cabin air filter replaced every 12 months.

Front Brake Service
