**That Dreadful Day**  
Is it truly selfish to want you back again? I could not calm your mind, I could not ease your pain. I thought my love would be enough to keep you here with me; But now I know that was never going to be.

Your face, your touch, your scent forever I shall miss; To hold you in my arms again, my soul no longer lost. I'd pay the price and gladly have no worry to the cost

They say that life gets better and time will ease the pain. They're fools who cannot see the truth, it can never be the same. No daytime and no nighttime just hour on hour on hour. And time has no more meaning now life's not sweet it's sour

Some think we have a life force or a soul some others say, If I had one I know it died that dreadful, dreadful day;

I miss you so much and I love you always  
**Your loving wife, Meseret**  
**We Miss You**

We sit and look back to how far we can remember, And you are always there next to us Each and everyday you were helping us grow up. And making us be the best that we can be

Your love was forever strong, Your cuddles forever tight, Everyday since we were born, Your love was always in sight

We will always be your Sons, And you will always be our Dad, We know we will always be the luckiest, To have the best Dad any son could have had

Our Dad we love you with all our hearts, Much more than we ever say, You are our world, our everything, Each and Every day, We miss you Dad

**Your Sons, Ezra and Yonny**
