

Accused in 2010 Gormley murder headed for trial

Paul Kenyon, who is charged with the second degree murder of Marion Deacon, is being sent to trial.

Following preliminary hearings in Newmarket court earlier this year, Justice Peter N. Bourque concluded there was enough evidence to send the case to the Superior Court of Justice.

No trial date has been set.

At about 8:20 a.m. March 7, 2010, York Regional Police, Whitchurch-Stouffville firefighters along with York Region Emergency Medical Services responded to a house fire at 6 Doner St. in Gormley.

Mr. Kenyon, who had been staying at Ms Deacon's home, was found outside the resi-

POLICE BRIEFS

dence and conscious. He was transported to the hospital with non-life threatening injuries.

A mother of three daughters, Ms Deacon, 46, was found inside the home with no vital signs.

She was transported to the hospital where she was pronounced dead.

A post-mortem examination determined the cause of death to be multiple blunt force injuries to the head.

Break-in suspect caught on video

A suspect remains at large after breaking into the Canadian Tire store on Hoover Park Drive March 18.

But, he was caught on video.

The incident occurred around 2 a.m. when the suspect entered the store through a sliding glass door, which led to the garden centre facing Hwy. 48.

Once inside, the suspect stole a large quantity of electronics, tools and houseware items,

which included V-Tech and Uniden brand cordless phones, Kitchen Aid pot sets and Mastercraft hand-powered tools.

View footage of the suspect inside the store at <http://www.youtube.com/user/CrimeStoppersYorkCA>

The suspect fled the parking lot in a dark coloured pickup truck.

If you know the suspects responsible for this crime or have any knowledge of this or any other crime but wish to remain anonymous, call Crime Stoppers at 1-800-222-TIPS, leave an anonymous tip on-line at www.1800222tips.com or text message your tip to CRIMES (274637) starting with the word YORK.

FROM THE DESK OF THE FIRE CHIEF:

As temperatures begin to rise and the ice covering from our waterways begins to melt, the Fire Department would like to remind all residents that these bodies of water are unsafe and should be avoided. Don't try and walk over ice, as the ice coverings are now unstable. Keep children and pets well away from all bodies of water. As always the fire department has your safety in mind. Contact The Fire Prevention Division at 905-640-9595 ext 236, for more safety information.
