

# Friends take in royal wedding, Stouffville reunion

Whitchurch-Stouffville was represented at yesterday's royal wedding.

Stouffville residents Norma Card and Jean Barclay have been in London, England, since Monday.

"They said the city is very busy and full of excitement," said Norma's husband, Graydon Card, who was still awaiting news from his wife on the wedding yesterday.

There was an estimated one million people at the event.

Mrs. Card and Mrs. Barclay met up with former Stouffville resident Linda Charles while in London.

They plan to leave London today and visit

Oxford University, Blenheim Palace in Woodstock and Stratford on Avon.

## Girl, 5, rides around pond for earthquake victims in Japan

A five-year-old Stouffville girl has raised \$911 for the Japan Earthquake/Asia Pacific Tsunami fund.

Earlier this month, Maya D'Angelo went to her parents saying she wanted to help with the earthquake in Japan.

They created a plan for her to accomplish her goal.

## COMMUNITY BRIEFS

Maya rode her bike, training wheels and all, around Byers Pond in Stouffville April 16.

"She did this three times in the cold and rain to reach the distance of one kilometre," her father Joe D'Angelo said.

Friends and family chipped in.

"Her compassion has inspired us and many others who have heard her story and especially those who have contributed to this

great cause," Mr. D'Angelo said.

The money has been sent to the Canadian Red Cross.

## Juried art 'In the Bag' Wednesday

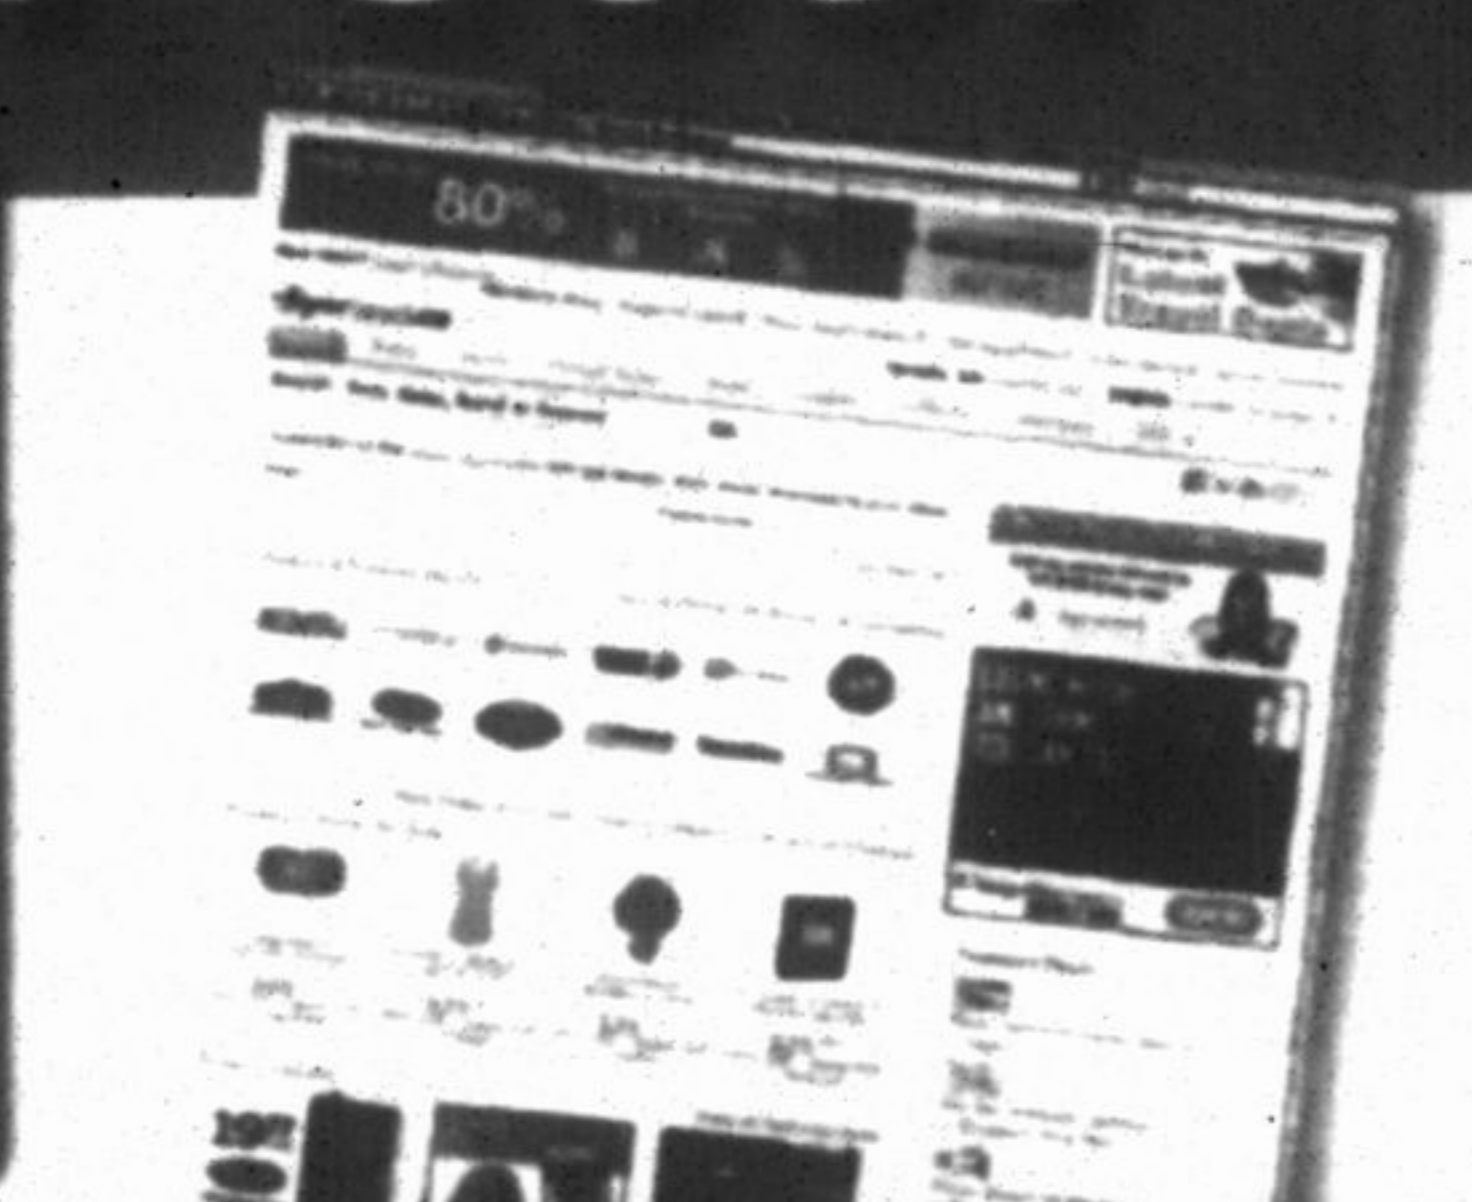

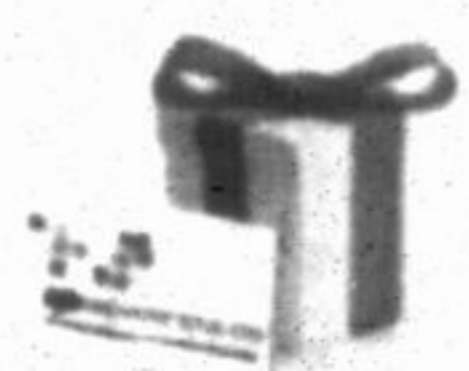

Stouffville residents Daniel Crawford, Ray McNeice and Malgorzata Pienkowski are among the 33 artists whose works are part of the Latham Gallery's annual open juried exhibition, which continues until May 14.

During Wednesday's It's In the Bag event, you can get a tour of the art with curator Ola Wlusek and enjoy refreshments. Bring your lunch as well. It's on from noon to 2 p.m.
