**258 In Memoriam**

**In memory of Luke Patrick Penny**  
 April 17, 1984 - May 19, 2010

We thought about you today as we do each and every day, memories of you forever kept in our hearts and engrained in our souls.

It truly is hard to fathom that it has already been a year without you. Seasons interchanged from one to the next, days ending and beginning. It seems everything is changing except the pain and emptiness that still remains in us all.

We will never know why you were taken from us, but we will always know how lucky we were to have you in our lives. Many days are filled with tears but with those tears always comes a smile because that is the effect you always had on all of us. Anyone who was ever blessed to know you will always remember that beautiful smile you possessed that could light up any room, that incredibly big heart that put everyone else first, that sense of humour that could make anyone laugh and of course that drive and determination to overcome any obstacle life threw your way.

It's not every day that you meet someone that totally changes your life, but I think we can all agree that having known you has made all our lives better. Nothing will ever replace the void in our hearts, but nothing will ever replace the memories we all shared. Every time we feel the wind on our face, the warmth of the sun on our skin or the coolness of a summer's rain, we know you are with us because he who lives in the hearts he has left behind is not to die, for love is immortality. We will carry your memory inside of us, each with our own. We will take with it the way in which you lived.

**Seize the day.**  
 We love and miss you dearly Luke.  
 With love from the Montgomery family.
