

**RECREATION:** Mayor launching final season on old layout

# Rescuing rose bushes in plans for new-look bowling club

Operation rose rescue has begun. At the end of this summer, the Stouffville Lawn Bowling Club's green will be expanded to create a regulation size court, which will enable the club to host district and provincial tournaments.

In order to do this, the rose hedge on the chain link fence at the south end of the green will be removed. The hedge, which club members believe was planted in 1927, will be propagated so some plants can be replanted once the new

green is complete. The club's opening ceremonies for its 117th season takes place Monday at 6:45 p.m. Mayor Wayne Emmerson is scheduled to toss out the first bowl. Construction on the expanded court is

slated to begin in September and be completed in time for the 2012 season. The club is also hosting a Victorian Tea Social May 29 at the clubhouse on the green from 2 to 5 p.m. Weather permitting, members will be bowling.
