**York Region**

**Discuss York Region's Recommendation for Sewage Servicing through Lake Simcoe Innovative Wastewater Treatment Technologies**

**UYSS SOLUTIONS**

The Regional Municipality of York invites you to attend a Public Information Forum on either June 27 or 28 to discuss York Region's recommendation to manage wastewater from approved growth in Aurora, East Gwillimbury, and Newmarket.

The tentatively recommended alternative includes an innovative Water Reclamation Centre to treat wastewater for discharge to the Lake Simcoe watershed using environmentally sustainable wastewater purification and water recycling technologies.
