BACK TO WORK?

Locked-out postal workers Kris Nanofski (from left), Simon Dakgi, Babak Eslamieh and Ginette King picket the Stouffville post office on Main Street yesterday. Canada Post locked out its 48,000 workers and halted most services Tuesday after 12 days of rotating walkouts in major cities across the country. The federal government is expected to introduce back-to-work legislation in Parliament next week. It could come into law as early as Thursday.
