Miller Waste Systems Inc., a division of The Miller Group of Companies, is a diversified waste recycling company with operations throughout Canada. Our Pickering location currently requires.

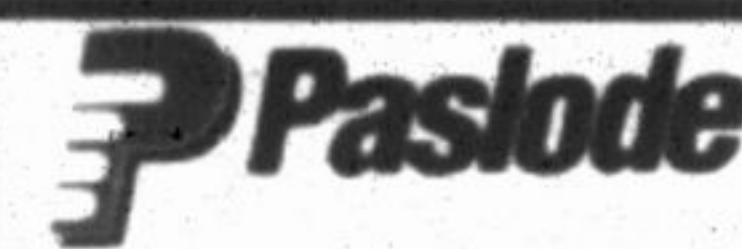

Tire Technician Certified~Heavy Truck

You will perform specialized tire and wheel serving on all company vehicles in the Pickering fleet and be responsible for maintaining adequate tire inventories as well as removing from service tires requiring salvage. You will inspect tires, rims and mounting components on a regular basis as well as maintain records of all maintenance data as required, along with tire rotations. Road repairs, service calls, general rim maintenance, change-over's, as well as assisting with the repairs on waste vehicles and trucks including hydraulics, electrical, and shop maintenance are required.

You are certified and have 2-3 years' experience in a similar role working with heavy truck tires, as well as blocking, lifting devices and jack stands, mounting machines, and wheel balancing. A working knowledge of torque tools, tire irons, air supply hoses, and all other applicable shop equipment are required.

Miller Waste Systems, Human Resources, 8050 Woodbine Ave., Markham, Ontario L3R 2N8 Fax: 905-475-6396
E-mail: david.freemantle@millergroup.ca

We thank all applicants; however, only those selected for an interview will be contacted.

Paslode is a leading manufacturer and supplier of specialty fasteners and tools to the construction & industrial sector. We have the following permanent full-time positions available in our Markham nail manufacturing facility:

Industrial Machinery Maintenance

Duties:

- Maintain, service and troubleshoot high speed production equipment that produces nails for our tool products.
- Perform service and quality checks on plant and production equipment

Requirements:

- Post secondary training in a recognized industrial maintenance program
- At least 2 Years Industrial/Plant Experience
- Strong communication skills, ability to work in a team environment and availability for shift work

High Speed Production Machine Operator

Duties:

- Set up and operation of high speed production machines producing headed nails
- 1 - 2 years experience operating high speed production machines in a manufacturing environment
- Some college, vocational or technical training preferred
- Hands-on working knowledge of industrial hand tools

Join an industry leader that offers a comprehensive salary and benefits package. Please forward your resume stating the position you are applying to:
